*Guide for Consultant Contracting* American Association of State Highway and Transportation Officials. Preconstruction Engineering Management Technical Committee, American Association of State Highway and Transportation Officials, 2008 The use of engineering consultants by state transportation agencies continues to be important in providing the appropriate solutions to transportation needs This publication replaces the Guide for Contracting Selecting and Managing Consultants in Preconstruction Engineering published by AASHTO in 1996 In order to assess current practices questionnaires were developed for both state and consultant practitioners The responses showed significant growth in the volume of work done by consultants and in the range of services provided by consultants The results of these surveys along with the collective experience and expertise of the technical committee membership were used to restructure much of the guide and to update and expand the discussion of current practices for the effective use of consultants

Structural Wood Design Abi Aghayere, Jason Vigil, 2017-04-28 This text provides a concise and practical guide to timber design using both the Allowable Stress Design and the Load and Resistance Factor Design methods It suits students in civil structural and construction

engineering programs as well as engineering technology and architecture programs and also serves as a valuable resource for the practicing engineer. The examples based on real world design problems reflect a holistic view of the design process that better equip the reader for timber design in practice. This new edition now includes the LRFD method with some design examples using LRFD for joists, girders and axially load members. It is based on the 2015 NDS and 2015 IBC model code. It includes a more in depth discussion of framing and framing systems commonly used in practice such as metal plate connected trusses, rafter and collar tie framing and pre engineered framing. It includes sample drawings, drawing notes and specifications that might typically be used in practice. It includes updated floor joist span charts that are more practical and are easy to use. It includes a chapter on practical considerations covering topics like flitch beams, wood poles used for footings, reinforcement of existing structures and historical data on wood properties. It includes a section on long span and high rise wood structures. It includes an enhanced student design project.

**The Official Railway Guide**, 1888 *Complete Guide to Human Resources and the Law*, 2017 Edition Shilling, 2016-10-21. The *Complete Guide to Human Resources and the Law* will help you navigate complex and potentially costly Human Resources issues. You'll know what to do and what not to do to avoid costly mistakes or oversights, confront HR problems legally and effectively and understand the rules. The *Complete Guide to Human Resources and the Law* offers fast, dependable, plain English legal guidance for HR related situations from ADA accommodation, diversity training and privacy issues to hiring and termination, employee benefit plans, compensation and recordkeeping. It brings you the most up to date information as well as practical tips and checklists in a well organized, easy to use resource. The 2017 Edition provides new and expanded coverage of issues such as: The Supreme Court held in March 2016 that to prove damages in an Fair Labor Standards Act (FLSA) donning/doffing class action, an expert witness testimony could be admitted. *Tyson Foods Inc v Bouaphakeo*, 136 S Ct 1036 (2016). Executive Order 13706 signed on Labor Day 2015 takes effect in 2017. It requires federal contractors to allow employees to accrue at least one hour of paid sick leave for every 30 hours they work and unused sick leave can be carried over from year to year. Mid 2016 DOL regulations make millions more white collar employees eligible for overtime pay by greatly increasing the salary threshold for the white collar exemption. Updates on the PATH Act: Protecting Americans From Tax Hikes, Pub L No 114-113. The DOL published the fiduciary rule in final form in April 2016 with full compliance scheduled for January 1, 2018. The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements (IRAs) are fiduciaries. In early 2016 the Equal Employment Opportunity Commission (EEOC) announced it would allow charging parties to request copies of the employer's position statement in response to the charge. The Supreme Court ruled that in constructive discharge, timing requirements run from the date the employee gives notice of his or her resignation, not the effective date of the resignation. *Certiorari* was granted to determine if the Federal Arbitration Act (FAA) preempts consideration of severing provisions for unconscionability. *Federal Register*, 1974.
