

The background of the cover is a deep blue gradient. Several Moorish Idol fish are depicted swimming. These fish have white bodies with prominent black vertical stripes and bright yellow-green fins. They are characterized by extremely long, thin, white filaments extending from their dorsal and anal fins. The fish are arranged in a loose school, with some in the foreground and others receding into the background, creating a sense of depth. The overall aesthetic is clean and professional, typical of a textbook cover.
