Ben's childhood sweetheart ran out on him and his broken heart hasn't held another woman since. During his annual visit to his hometown, he finds something sweeter than cookies behind the counter at the bakery Tally's back in town, and his response to her makes it clear the only flaw in his heart is that it's still full of her. To heal both their hearts, Ben must convince her this is only the beginning of their second chance. Ten Thousand Hours Weddings are Ivy's business, but when an ex proposes out of the blue, she flees to a tropical paradise rather than walk down the aisle. There, she discovers the passion missing from her sensible existence in the arms of a handsome stranger. She returns home where no one suspects sweet practical Ivy possesses a secret wild side; no one except the one-night stand standing in her parents' dining room. Griff's offer of a fling in which she plays all the parts too untamed for her everyday life is too enticing to resist and too good to last. When reality demands full-time responsibility, Ivy can't neglect family duty for a selfish fantasy. To keep his place in the life of the woman he loves, Griff must prove they can have forever one hour at a time. Silent Song Lex had it all: Fame, Fortune. A once-in-a-lifetime love with a brilliant, beautiful, battle-scarred goddess. And an addiction that was done sharing his attention. He survived. His fall from grace never stopped fans from throwing money and panties at him. All he lost for his weakness was the heart. Gin, the woman not the booze, took with her when she left. The old walls between them crumble as their relentless attraction pulls them back together. But Lex isn't the only man from Gin's past who wants a second shot at her, and that unfinished business could destroy them both.
