a secret with her she's written a scandalous novel Now her publisher demands that she make her fictional villain more realistic Who better than the notorious Lord Ash as a model Duty bound to prevent her cousin from making a disastrous match Cami never meant to gamble her own heart away But when she's called home Ash follows And though they're surrounded by the flames of Rebellion the sparks between them may be the most dangerous of all Beautifully written richly atmospheric deeply felt and so deftly researched I felt utterly absorbed into the world of late Georgian England I'm tremendously excited to discover such an elegant new voice in historical romance Meredith Duran USA Today bestselling author A saucy smart book with an all encompassing love The Companion's Secret is spectacular RT Book Reviews 4 stars
