rhetorical situations in which plagiarism occurs While most scholarly publications on plagiarism mirror mass media s
 attempts to reduce the issue to simple black and white statements the contributors to *Pluralizing Plagiarism* recognize that it
 takes place not in universalized realms of good and bad but in specific contexts in which students cultural backgrounds often
 play a role Teachers concerned about plagiarism can best address the issue in the classroom especially the first year
 composition classroom as part of writing pedagogy and not just as a matter for punishment and prohibition *Pluralizing
 Plagiarism* opens a productive dialogue about what is at stake in plagiarism one that approaches the topic with students
