Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming. They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline, *Watching TV* provides the context and background to this multi-billion dollar enterprise. Drawing on decades of research, the authors weave together personalities, popular shows, corporate strategies, historical events, and changing technologies, enhancing the main commentary with additional elements that include fall prime time schedule grids for every season, date box timelines, highlighted key text, and selected photos. Full of facts, firsts, insights, and exploits from now back to the earliest days, *Watching TV* is the standard chronology of American television, and reading it is akin to channel surfing through history. The fourth edition updates the story into the 2020s and looks ahead to the next waves of change. This new edition is the first to also be available in a digital format.

Media/Society David Croteau, William Hoynes, 2018-08-21 The best text to help students understand the often complicated ever-changing relationship between media and society. Seong Jae Min, Pace University. Providing a framework for understanding the relationship between media and society, this updated Sixth Edition of *Media Society* helps students develop the skills they need to critically evaluate both conventional wisdom and their own assumptions about the social role of the media. The book retains its acclaimed sociological framework but now includes additional discussions of new research and up-to-date coverage of today's rapidly changing media landscape. Now featuring streamlined content and a more engaging narrative, this edition offers expanded discussions of the new media world, including digitization, the internet, the spread of mobile media devices, the role of user-generated content, the potential social
