Learning C# Through Small Projects Denis Panjuta, Jafar Jabbarzadeh, 2024-06-08. *Learning C Through Small Projects* offers you a hands-on approach to understanding advanced C concepts through engaging projects and minigames. The rationale is simple: learning by doing. You dive straight into the action, building eleven distinct projects that range from an interactive storytelling program to a responsive Discord chatbot. Each project is meticulously designed to introduce and reinforce specific C concepts, ensuring that you not only understand the theory but can also apply it in real-world scenarios. The book is structured to provide a gradual learning curve. The initial chapters lay the foundation, introducing you to the basics of C programming. As you progress, the projects become more intricate, delving into advanced topics such as asynchronous operations, data integrity, and API integration. By the end of the book, you'll have a comprehensive understanding of C and a portfolio of projects to showcase your skills.

Authored by Denis Panjuta and Jafar Jabbarzadeh, renowned instructors with a combined student base of over 350,000, this book is more than just a guide; it's a mentor. Their vast teaching experience shines through in every chapter, ensuring that complex topics are broken down into easily digestible segments. Moreover, their commitment to practical learning ensures that every concept is paired with a hands-on project, thus reinforcing your understanding and building your confidence.

Make Simple Offers Premium: Pricing Psychology That Elevates Value Okechukwu Divine Obioma, 2025-09-12. Why do some people charge double or even ten times more for offers that look almost identical to everyone else's? The difference isn't the product; it's the perception of value. Pricing psychology shapes how buyers see your offer and determines whether they see it as cheap, average, or premium. *Make Simple Offers Premium: Pricing Psychology That Elevates Value* reveals how to shift your positioning so that even the simplest offers feel worth more. Instead of lowering prices to compete, you'll learn how to create an experience, story, and strategy that

elevates demand and lets you charge confidently Inside you ll discover how to Package and present your offers so they feel premium even if they re simple Use proven pricing psychology to spark desire and justify higher rates Break free from competing on cheap and stand out in any crowded market Build credibility and trust so clients see your worth instantly Raise prices without fear pushback or losing loyal customers This book isn t about tricks it s about clarity and confidence When your offer feels valuable people happily pay more stay longer and refer others If you re ready to stop undercharging and start commanding the prices you deserve this is your guide Premium isn t about complexity it s about perception Learn to master it
