ways as they would in Ontario New Brunswick or god forbid Alberta With practical advice little known facts and personal anecdotes Ferguson tackles everything from how to recognize a local and differentiate the various types of facial hair that delineate the male British Columbian to how to survive both natural and unnatural disasters whether it s a light dusting of snow on the southern tip of Vancouver Island or a full blown hockey riot to how BC has been governed through the ages like the time a bootlegger was put in charge of prohibition Illuminating hilarious and only mildly offensive if you have no sense of humour The Survival Guide to British Columbia will make you question why you ever came here in the first place
