How to Produce and Promote a One Person Show Esther Friedman, 2012-06-18 This is a complete guide to the actor writer producer in how to produce your show on either coast Cover

The Power of Little Ideas David Robertson, 2017-04-11 The logical and enduring way to innovate Conventional wisdom today says that to survive companies must move beyond incremental sustaining innovation and invest in some form of radical innovation Disrupt yourself or be disrupted is the relentless message company leaders hear The Power of Little Ideas argues there s a third way that is neither sustaining nor disruptive This low risk high reward strategy is an approach to innovation that all company leaders should understand so that they recognize it when their competitors practice it and apply it when it will give them a competitive advantage This distinctive approach has three key elements It consists of creating a family of complementary innovations around a product or service all of which work together to make that product more appealing and competitive The complementary innovations work together as a system to carry out a single strategy or purpose Crucially unlike disruptive or radical innovation innovating around a key product does not change the central product in any fundamental way In this powerful practical book Wharton professor David Robertson illustrates how many well known companies including CarMax GoPro LEGO Gatorade Disney USAA Novo Nordisk and many others used this approach to stave off competitive threats and achieve great success He outlines the organizational practices that unintentionally torpedo this approach to innovation in many companies and shows how organizations can overcome those challenges Aimed at leaders seeking strategies for sustained innovation and at the quickly growing numbers of managers involved with creating new products The Power of Little Ideas provides a logical organic and enduring third way to innovate

A Guide to Screenwriting Success Stephen V. Duncan, 2020-07-28 A Guide to Screenwriting Success Second Edition provides a comprehensive overview of writing and rewriting a screenplay or teleplay and writing for digital content

Duncan's handy book teaches new screenwriters the process of creating a professional screenplay from beginning to end. It shows that inspiration, creativity, and good writing are not elusive concepts but attainable goals that any motivated person can aspire to. Duncan includes sections on all aspects of screenwriting from character development to story templates and breaks down the three acts of a screenplay into manageable pieces. *A Guide to Screenwriting Success* contains dozens of exercises to help writers through these steps. The second half of Duncan's practical book covers another often overlooked side of screenwriting: the teleplay. Aspiring writers who also want to try their hand at writing for television will need to learn the specifics of the field. The book breaks down this area into two parts: the one-hour teleplay and the situation comedy. There is a section on writing and producing digital content that embraces the Do It Yourself attitude to approaching a career in the entertainment industry. Success in screenwriting is no longer a dream but an achievable goal for those who pick up Duncan's guide.

New Ideas in the Writing Arts Graeme Harper, 2013-08-19 *New Ideas in the Writing Arts* has come about because recent changes taking place in educational settings have influenced the ways in which learners and teachers are exploring Creative Writing. The worldwide growth of Creative Writing as a formal subject of study in universities and colleges has generated explorations that appear now to be at the tip of an even greater range of explorations that promise to be undertaken in coming years. When titling this book, the intention was to say that we should consider what might currently be new, what might be explored, what might be introduced to a writer who has not thought of investigating certain aspects of Creative Writing or undertaking Creative Writing in a certain way. Such freshness can often produce a development in a writer's own work. Our 21st-century development of research in Creative Writing undertaken by creative writers through writing practice and through a critical engagement with Creative Writing that begins in writing practice is already unearthing new ways of thinking about Creative Writing and new ways of undertaking it too. *New Ideas in the Writing Arts* presents explorations of Creative Writing fresh from explorers of Creative Writing who have incorporated into their work ideas discovered in creative practice and ideas explored critically because of creative practice. Readers will discover in the tone and trajectory of the chapters a serious engagement with how to determine current knowledge, how to confirm or challenge that knowledge, and broadly how to progress our knowledge of Creative Writing. Practical considerations prevail, and there is a clear sense in which Creative Writing is an activity, not a static thing to be examined in a fixed state and discussed as a completed object. Rather, Creative Writing in this book is a range of events and their results, a human activity that draws on many individual actions, cultural and historical contexts, and in its undertaking presents evidence that reflects on the knowledge and belief that informs and produces it.

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu, 2015-03-26 *Counterculture* while commonly used to describe youth-oriented movements during the 1960s, refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day. This fascinating three-volume set explores these

movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index **From the Internet of Things to the Internet of Ideas: The Role of Artificial Intelligence** Abdalmuttaieb M. A. Musleh Al-Sartawi, Anjum Razzaque, Muhammad Mustafa Kamal, 2022-11-18 This book shows latest research on the role Artificial intelligence in enabling IoT to evoke IoI and how IoI flourish inside technologies like social media platforms social networks communities of practice interest to assure a globally sustainable unit where humans integrate with machines to collaboratively share ideas and solve complex problems Such a book holds several benefits It will reveal theoretical practical and managerial implications through discussions that will embrace a wide array of technologies focused on the role of AI enabled IoT to evoke IoI EAMMIS 2022 was organized by the Bridges Foundation in cooperation with Coventry University UK on the 10th and 11th of June 2022 EAMMIS 2022 theme was From the Internet of Things to the Internet of Ideas The role of Artificial Intelligence The papers presented at the conference provide a holistic view of AI and its applications IOT and the IOI which will help societies to better use and benefit from AI IOT and IOI to develop future strategies and actions *Chuck Klosterman IV: A Decade of Curious People and Dangerous Ideas* Chuck Klosterman, 2013-11-21 Chuck Klosterman has become the pop culture commentator of his time Now our favourite popular phenomenon offers new introductions outros segues and footnotes around a collection sure to enlarge his following Chuck Klosterman IV is divided into three parts Part I Things That Are True showcases Chuck s best profiles and trend stories from the past decade Billy Joel Metallica Val Kilmer U2 Radiohead Wilco The White Stripes Steve Nash 50 cent they re all here complete with behind the scenes details and ingenious analysis Part II Things That Might Be True assembles the best of opinion pieces that brim with a characteristic candor always interesting often infuriating occasionally insane Now fortified with twenty new hypothetical questions Part III Things That Are Not True At All offers an unpublished short story While semi autobiographical it features a woman who falls out of the sky and lands on a man s car **Unofficial Guide to Las Vegas 2019** Bob Sehlinger, 2018-09-18 Your guide on how to have fun and understand the crazy environment that is today s Las Vegas With insightful writing up to date reviews of major attractions and a lot of local knowledge The Unofficial Guide to Las Vegas 2019 has it all Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Las Vegas digs deeper and offers more than any single author could This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count With advice that is direct prescriptive and detailed it takes out the guesswork Eclipsing the usual list of choices it

unambiguously rates and ranks everything from hotels restaurants and attractions to rental car companies With The Unofficial Guide to Las Vegas you know what s available in every category from the best to the worst The reader will also find the sections about the history of the town and the chapters on gambling fascinating In truth The Unofficial Guide to Las Vegas by Bob Sehlinger emphasizes how to have fun and understand the crazy environment that is today s Vegas It s a keeper
