contributors, The Producer's Business Handbook John J. Lee, Jr., Rob Holt, 2012-11-12 The Producer's Business Handbook provides a model for making a successful business of independent filmmaking. It will give you a comprehensive understanding of the business of entertainment and supply you with the information and tools you'll need to successfully engage all related aspects of global production and exploitation. The handbook also provides a global orientation to the relationships that the most successful producers have with the various participants in the motion picture industry. This includes how producers direct their relationships with domestic and foreign studios, agencies, attorneys, talent, completion guarantors, banks, and private investors. It provides a thorough orientation to operating production, development, and single purpose production companies from solicitation of literary properties through direct rights sales and the management of global distribution relationships. Also presented is an in-depth discussion of the team roles needed to operate these companies as well as how to attach and direct them. For those outside of the US, this book also includes information about how to produce successful films without government funding. This edition has been updated to include comprehensive information on the internal greenlighting process, government financing, and determining actual cost of money. It includes new simplified project evaluation tools, expediting funding, and distribution. Together with its companion CD-ROM which contains valuable forms and spreadsheets, tutorials, and samples, this handbook presents both instruction and worksheet support to independent producers at all levels of experience.

Snuff Neil Jackson, Shaun Kimber, Johnny Walker, Thomas Joseph Watson, 2016-01-28 The phenomenon of so-called snuff movies—films that allegedly document real acts of murder specifically designed to entertain and sexually arouse the spectator—represents a fascinating socio-cultural paradox. At once unproven yet accepted by many as emblematic of the very worst extremes of pornography and horror, moral detractors have argued that the mere idea of snuff constitutes the logical and terminal extension of generic forms that are dependent primarily upon the excitement, stimulation, and ultimately corruption of the senses. *Snuff: Real Death and Screen Media* brings together scholars from film and media studies to assess the longevity of one of screen media's most enduring cultural myths. Thorough, provocative, and well-argued, the contributions to this volume address areas ranging from exploitation movies to the video industry trends in contemporary horror cinema, pornography, and Web 2.0.

Pop Culture Latin America! Lisa Shaw, Stephanie Dennison, 2005-01-14 A survey of contemporary Latin American popular culture covering topics that range from music and film to popular festivals and fashion. Like no other volume of its kind, *Pop Culture Latin America* captures the breadth and vitality of pop culture in Central and South America and the Caribbean, exploring both familiar and lesser-known aspects of its unique melange of art, entertainment, spirituality, and celebrations. Written by contributors who are scholars and specialists in the cultures and languages of Latin America, the book focuses on the historical, social, and political forces that have shaped Latino culture since 1945, particularly in the last two decades. Separate chapters cover music, popular cinema, mass media, theater, and

performance literature cultural heroes religions and festivals social movements and politics the visual arts and architecture sports and leisure travel and tourism and language Focus 2022 World Film Market Trends Martin Kanzler, Patrizia Simone, 2022-05-18 bilingual edition ENG FRE Focus 2022 an anniversary issue This FOCUS marks a double anniversary for the European Audiovisual Observatory this year we celebrate the 25th edition of this publication and also the 30th anniversary of the Observatory itself The fact that FOCUS goes back 25 years in our history proves that the film market is of crucial importance to our work In 25 years we have constantly expanded our film related expertise and services and in parallel the scope of our data collection This was only possible due to our invaluable networks especially the EFARN which therefore deserves our sincere thanks on the occasion of these anniversaries The FOCUS report however would not have developed as it did without the vision of our partner the March du Film and in particular J r me Paillard its longstanding Executive Director whom we will always link to this publication even after his imminent retirement Thank you J r me for all these years of wonderfully easy cooperation We are looking forward to continuing our work with your successor Guillaume Esmiol and the exceptional staff that he inherits from you Susanne Nikoltchev Executive Director of the European Audiovisual Observatory
