Heaven Alida Jai Rogers,2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn't a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle's funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field as if we were holding a presidential election He was just that special My uncle's only daughter's wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn't have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn't miss my uncle's funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn't be anyone's cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that's love That should be our cup of tea Not religion *Board of Contract Appeals Decisions* United States. Armed Services Board of Contract Appeals,1980 **GoFailMe** Erik Schneiderhan,Martin Lukk,2023-09-26 The gaping holes in the U S and Canadian social safety nets mean that many people live in a state of financial precarity that can instantly become untenable in the face of another big expense such as a large medical bill or damaged property Historically people have turned to their communities neighbors families and loved ones for help in these situations Today asking for money on the internet through crowdfunding is among the most popular ways of seeking and donating to charity and for profit enterprises have realized that tapping into this instinct for helping is extremely good business GoFailMe reveals how these sites most notably GoFundMe enjoy massive revenue without providing the help they promise They fail most of their users while putting them through an emotional rollercoaster and using sneaky tactics to obscure that reality With unprecedented access to interviews surveys and hundreds of thousands of crowdfunding cases

across North America Erik Schneiderhan and Martin Lukk take on pressing questions with critical insight When do we turn to others for help Who succeeds and who fails in the digital crowd Whom do these sites benefit Ultimately the failure of GoFundMe and others is emblematic of the inability of the for profit sector and Big Tech to engineer an end to social inequality
