Gavin,2013-02 Life at DrTom s is a diverse collection of easy to digest anecdotes about human behavior wildlife children wives and more from the perspective of a retired Ivy League professor DrTom taught classes in biology and conservation at Cornell University for almost 30 years and he conducted research on birds and mammals in the U S and abroad But he has found that observing humans and describing the human condition are as interesting as the study of wild animals DrTom writes with a somewhat cynical view about his own species in a way that will make you say hey I never thought of that Spanning six decades DrTom describes the colorful experiences that vary from studying squirrels on a cattle ranch in Idaho living in the rainforest of Costa Rica attending a geisha like party in Korea playing tennis for Ohio State to smoking a cigar while sipping a scotch in the forest surrounding his New York home These moments have sharpened his power of observation and informed his impression of what makes human behavior so curious But this life long exploration of what makes life interesting has generated the tangible he celebrates the most the memory of these rich encounters Readers will have no difficulty relating to DrTom s observations and conclusions about the experiences he shares You will see yourself in many of the uncanny situations in which he has found himself as a father grandfather husband teacher and retired baby boomer Regardless of your age gender or educational background the prose will make you laugh or pause or think more deeply about what you see around you Happy for the Rest of Your Life Gregory L. Jantz,2009 Whoever said happiness was a pursuit wasn t kidding We search high and low spend money we may or may not have engage in all kinds of behaviors for good and ill and still come up short in the happiness department Happiness becomes a destination we re supposed to teach but we never seem to get there If happiness is a destination who has the directions In Happy for the Rest of Your Life Dr Gregory Jantz will use scriptural truths and personal examples to teach enlighten encourage and motivate as he explains Our misconceptions about what happiness is and where to find it Dead ends on the road to happiness Why God is really the author of Don t Worry Be Happy *Ebony* ,2007-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **The Women of NOW** Katherine Turk,2023-08-15 A clear

blueprint for change A must read Clara Bingham The Guardian The history of NOW its organization trials and revolutionary mission told through the work of three members In the summer of 1966 crammed into a D C hotel suite twenty eight women devised a revolutionary plan Betty Friedan the well known author of The Feminine Mystique and Pauli Murray a lawyer at the front lines of the civil rights movement had called this renegade meeting from attendees at the annual conference of state women s commissions Fed up with waiting for government action and trying to work with a broken system they laid out a vision for an organization to unite all women and fight for their rights Alternately skeptical and energized they debated the idea late into the night In less than twenty four hours the National Organization for Women was born In The Women of NOW the historian Katherine Turk chronicles the growth and enduring influence of this foundational group through three lesser known members who became leaders Aileen Hernandez a federal official of Jamaican American heritage Mary Jean Collins a working class union organizer and Chicago Catholic and Patricia Hill Burnett a Michigan Republican artist and former beauty queen From its bold inception through the tumultuous training ground of the 1970s NOW s feminism flooded the nation permanently shifted American culture and politics and clashed with conservative forces presaging our fractured national landscape These women built an organization that was radical in its time but flexible and expansive enough to become a mainstream fixture This is the story of how they built it and built it to last Includes 16 pages of black and white images
