Howard, 2023-02-14 Blackface instances in which non-Black persons temporarily darken their skin with make up to impersonate Black people usually for fun and frequently in educational contexts constitutes a postracialist pedagogy that propagates antiblack logics In *Performing Postracialism* Philip S S Howard examines instances of contemporary blackface in Canada and argues that it is more than a simple matter of racial misrepresentation The book looks at the ostensible humour and dominant conversations around blackface arguing that they are manifestations of the particular formations of antiblackness in the Canadian nation state and its educational institutions It posits that the occurrence of blackface in universities is not incidental and outlines how educational institutions responses to blackface in Canada rely upon a motivation to protect whiteness *Performing Postracialism* draws from focus groups and individual interviews conducted with university students faculty administrators and Black student associations along with online articles about blackface to provide the basis for a nuanced examination of the ways that blackface is experienced by Black persons The book investigates the work done by Black students faculty and staff at universities to challenge blackface and the broader campus climate of antiblackness that generates it

Privileged Victims Eddie Scarry, 2020-02-25 America's worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so-called privilege and entitled brats claiming victim status The country is under siege and America's most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege *Privileged Victims* zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that's replacing America's meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three

decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly
