Extraordinarily Ordinary Erin A. Meyers, 2020-02-14 Extraordinarily Ordinary offers a critical analysis of the production of a distinct form of twenty first century celebrity constructed through the exploding coverage of reality television cast members in Us Weekly magazine Erin A Meyers connects the economic and industrial forces that helped propel Us Weekly to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms that shaped the successful gossip formulas of the magazine Us Weekly s construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader

intensification of discourses of ordinariness and the private in the production of contemporary celebrity in which fame is paradoxically grounded in just being yourself while simultaneously defining what the right sort of self is in contemporary culture

Strategic Public Relations Writing Jim Eggensperger, Jeanne Salvatore, 2022-06-28 Putting strategy front and center this public relations writing textbook coaches students to readiness for a career as an effective strategic communicator The book focuses on the strategic aspect of public relations writing that distinguishes it from other writing such as journalistic or academic It highlights the essential types of writing necessary for effective public relations in multiple media channels demonstrated by contemporary cases direct from practitioners working today Overviews of the various tactical formats that must be mastered for powerful strategic public relations ranging from social media posts and website updates to podcasts speeches and infographics prepare students to be effective and up to date professionals Full of examples and exercises the book's strength is in its practical utility for career preparation and success This text is suited to public relations writing courses at the undergraduate and postgraduate level particularly those with a focus on strategy or that combine strategy and writing into one course Online resources include chapter outlines a testbank sample homework paper and portfolio building assignments and lecture slides They can be accessed at www.routledge.com/9781032163871
