From Networks to Netflix Derek Johnson, 2018-01-03. Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery, the television channel itself persists. If anything, the television channel landscape has become more complex to navigate as viewers can now choose between broadcast, cable, streaming, and premium services across a host of different platforms and devices. *From Networks to Netflix* provides an authoritative answer to that navigational need, helping students, instructors, and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels, and cable outlets like Freeform and Comedy Central, and
