E-FOOD: Closing the Online Enforcement Gap in the EU Platform Economy Maria Jose Plana Casado,2021-08-05 Retail is going digital and grocery shopping is no exception While some businesses are relaying on their corporate website to make the sale both traditional brick and mortar and new disruptive business models are increasingly using online marketplaces to offer their products

online European Union law has been gradually updated to reflect this new reality with Intellectual Property Rights legislation and Consumer Law leading the way toward a suitable regulatory framework in the Platform Economy However the EU has not devised a comprehensive strategy for tackling the challenges posed by the online sale of physical consumer goods such as effective public enforcement in online environments In fact sector specific legislation including Food Law largely ignores online transactions In this context the book evaluates the impact that online marketplaces are having on European Union sector specific legislation and its enforcement The goal is to assess whether the existing regulatory and policy framework are sufficient for promoting compliance and bridging the enforcement gap in the digital single market Focusing on the e food market the book presents a state of the art overview of how online marketplaces are altering EU law and its enforcement by public authorities

Organization and Administration of Physical Education Jayne D. Greenberg,Judy L.

LoBianco,2019-01-22 If you want to know how to be the best you learn from the best Two SHAPE America Physical Education

Administrators of the Year share what it takes to be an outstanding administrator in Organization and Administration of

Physical Education Theory and Practice Jayne Greenberg and Judy LoBianco veteran leaders in the field with decades of

successful administration experience head a sterling list of contributors who have taught at the elementary middle school

high school and college levels in urban suburban and rural settings Together these contributors expound on the roles and

responsibilities of physical education administrators through both theoretical and practical lenses The result is a book that

will be highly useful to undergraduate students looking to enter the field as well as a resource for administrators in physical

education leadership positions who are looking to acquire new skills and innovative ideas in each of the five areas of

responsibility covered in the book Part I covers leadership organization and planning It explores leadership and management

styles and presents practical theories of motivation development and planning It also looks at how to plan for the essential

components of an effective quality physical education program In part II readers examine various curriculum and instruction

models and navigate through curriculum theory and mapping This section also offers guidance on planning events including

special programs and fundraising projects and how to build a team and secure community connections for those special

events Part III helps administrators plan and design new school sites or renovate existing ones and it presents contemporary

concepts in universal design and sustainable environmental design It also offers ideas on how to incorporate technology to

meet the needs of 21st century learners including the use of social media and robotics in delivering instruction and

communication Part IV explores written verbal and electronic communication issues as well as legal and human resource issues Administrators learn how to lobby and advocate for physical education how the legal system affects schools and how to examine personnel issues bullying and harassment Part V explains the fiscal responsibilities inherent in administrative positions including budgeting bidding and purchasing It also shows how administrators can secure funding independent of district or local funding offering many examples of grants and fundraising opportunities with sample grant applications Throughout the text special features Advice From the Field and Leadership in Action share tips nuggets of wisdom and examples of administrators excelling in their various responsibilities The book also comes with many practical examples of forms that are useful in carrying out responsibilities and each chapter offers objectives a list of key concepts and review questions to facilitate the learning In addition the text has related online resources consisting of supportive materials and documents Organization and Administration of Physical Education Theory and Practice published with SHAPE America offers the solid foundational theory that administrators need and shows how to put that theory into daily practice Note A code for accessing HKPropel is included with this ebook
