Medical Partnerships, Transfers, and Assistantships (Classic Reprint) William Barnard, 2015-07-12 Excerpt from *Medical Partnerships Transfers and Assistantships* Anyone who has had occasion to peruse many Medical Agreements especially those relating to Partnerships will have been struck by the diversity of the principles upon which they have been drawn The reason is not far to seek No text book has hitherto dealt or indeed attempted to deal seriously with the subject although it seems to demand special treatment Each draftsman has been left to evolve for himself a scheme of partnership unaided by any adequate experience of the requirements of the case or by any knowledge of the customs which prevail in the profession It is hoped that this little Work may tend to establish more uniformity in these Agreements The Book is divided into two Parts Part I for which Mr Stocker is mainly responsible gives the draft agreements in a form in which they may be most readily utilized To such clauses as present any peculiar features are appended explanatory notes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
