Medievalisms Making The Past In The Present:

Medievalisms Tison Pugh, Angela Weisl, 2012-11-12 From King Arthur and Robin Hood through to video games and jousting themed restaurants medieval culture continues to surround us and has retained a strong influence on literature and culture throughout the ages This fascinating and illuminating guide is written by two of the leading contemporary scholars of medieval literature and explores The influence of medieval cultural concepts on literature and film including key authors such as Shakespeare Tennyson and Mark Twain The continued appeal of medieval cultural figures such as Dante King Arthur and Robin Hood The influence of the medieval on such varied disciplines such as politics music children s literature and art Contemporary efforts to relive the Middle Ages *Medievalisms Making the Past in the Present* surveys the critical field and sets the boundaries for future study providing an essential background for literary study from the medieval period through to the twenty first century

Medievalisms Tison Pugh, Angela Jane Weisl, 2012 From Harry Potter and Robin Hood through to video games and jousting themed restaurants medieval culture continues to surround us and has retained a strong influence on literature and culture throughout the ages This fascinating and illuminating guide is written by one of the leading contemporary scholars of Medieval literature and explores The influence of medieval cultural concepts on key authors such as Shakespeare Dante Chaucer George Eliot and Mark Twain The continued appeal of medieval cultural figures such as King Arthur and Robin Hood The influence of the medieval on disciplines such as politics music film and art *Medievalisms* surveys the critical field and sets the boundaries for future study providing an essential background for literary study from the Medieval period through to the twenty first century *Medievalisms* Tison Pugh, Angela Jane Weisl, 2012 *Medievalisms* surveys the critical field and sets the boundaries for future study providing an essential background for literary study from the Medieval period through to the twenty first century exploring The influence of medieval cultural concepts on key authors such as Shakespeare Dante Chaucer George Eliot and Mark Twain The continued appeal of medieval cultural figures such as King Arthur and Robin Hood The influence of the medieval on disciplines such as politics music film and art

Medievalisms in a Global Age Angela Jane Weisl, Robert Squillace, 2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa from Manila to New York Across the world revivals of medieval practices images and tales flourish as never before The essays collected here informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages explore the many facets of contemporary medievalism post colonial responses to the enforced dissemination of Western medievalisms attempts to retrieve pre modern cultural traditions that were interrupted by colonialism the tentative forging of a global medieval imaginary from the world s repository of magical tales and figures and the deployment across borders of medieval imagery for political purposes The volume is divided into two sections dealing with Local Spaces and Global Geographies The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography but as part of a larger transnational medievalist dynamic Those in the second focus on

explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism A wide range of topics are addressed from Japanese manga and Arthurian tales to The O Trilogy of Maurice Gee Camus and Dungeons and Dragons

Medievalism and Reception Dr Ellie Crookes, Ika Willis, Ellie Crookes, 2024-12-03 The relationship between medievalism and reception explored via a rich variety of case studies At the intersection of the twin fields of medievalism and reception studies is the timely and fascinating question of how a contested past is deployed in the context of a conflicted and contradictory present Despite their shared roots and a fundamental orientation towards the entanglement of past and present the term reception is rarely taken up in medievalist scholarship and they have developed along parallel but divergent lines evolving their own emphases problematics sensibilities vocabularies and critical tools This book is the first to reunite these two fields Its introduction and first chapter clearly set out their tangled intellectual and disciplinary histories The ten essays that follow reflect upon the relationship between medievalism and reception in theory and in practice through thematically temporally and geographically expansive case studies engaging with theories of translation postcolonialism fan studies persona studies and Indigenous studies Individual topics examined include the cultural impact of Robin Hood the Tulsa race massacre the crusades in the nineteenth century later representations of Chaucer's works Victorian representations of Anne Boleyn and media such as Star Wars and Game of Thrones As a whole this collection models and demonstrates the value of a new and self-aware approach to medievalism enriched by a conscious and critical redeployment of reception theories and methodologies

21st Century Medievalisms Karl Christian Alvestad, 2023-06-01 21st Century Medievalisms Between the Global and Individual is an edited volume consisting of 14 chapters by scholars interested in contemporary medievalisms across the world It is a timely contribution to the growing scholarship on medievalisms offering chapters that consider both the individual experiences of medievalisms as well as those of societies and cultures at large The chapters of the book are grouped into three parts the first explores stereotypes and myths in medievalisms the second examines medievalisms that speak to particular communities and audiences and the third studies how medievalisms are impacted by or stimulate conversations of politics and gender These chapters all reflect a growing interest in medievalisms and the appreciation of how they are present materialise and evolve in different contexts and offers insights into medievalisms in politics popular culture social activism and more Throughout the book examples and case studies demonstrate how medievalisms in the modern age are at times individual experiences at other times global phenomena and sometimes are in between Therefore these medievalisms can speak to different audiences at the same time showcasing how the Middle Ages and their memory continue to be a pertinent topic of study within the wider field of medieval studies

American/Medieval Gillian R. Overing, Ulrike Wiethaus, 2016-10-10 This volume offers a dialogue with and through the medieval informed by cultural categories of performativity and simultaneity in on line media architecture

film poetry and social formations The articles depart from Medievalism Studies and attempt to answer questions such as How do medievalists artists writers and entertainment industries communicate replicate and evoke medieval formations How do national and transnational discursive fields relate to understandings of the medieval in its many unstable states Where are the communal memory sites and what functions do they serve for those who are associated with them Where are the medieval disjunctions and conjunctions of race ethnicity and time in a settler society And what do place nature and landscape have to do with it *National Medievalism in the Twenty-first Century* Matthias D. Berger, 2023 How ideas and ideals of an imagined protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why After a period of abeyance the link forged in the nineteenth century between the Middle Ages and national identity is increasingly being reclaimed with numerous groups and individuals mining an imagined medieval past to present ideas and ideals of modern nationhood Today's national medievalism asserts itself at the interface of culture and politics in literature and television programming in journalism and heritage tourism and in the way political actors of various stripes use a deep past that supposedly proves the nation's steady exceptionalism in a hectic globalised world This book traces these ongoing developments in Switzerland and Britain two countries where the medieval past has recently been much invoked in negotiations of national identity independence and Euroscepticism Through comparative analysis it explores examples of reemerging stories of national exceptionalism stories that ironically echo those of other nations The author analyses depictions of Robert the Bruce and Wilhelm Tell medievalism in the discourse surrounding Brexit as well as at the Welsh Senedd novels like Paul Kingsnorth's *The Wake* community based art such as the Great Tapestry of Scotland and elaborate public commemorations of Swiss victories and defeats in battle Basing his critical readings in current theories of cultural memory heritage and nationalism the author explores how the protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why

Neomedievalism, Popular Culture, and the Academy KellyAnn Fitzpatrick, 2019 The medieval in the modern world is here explored in a variety of media from film and book to gaming **Politics and Medievalism (studies)** Karl Fugelso, 2021 Essays on the post modern reception and interpretation of the Middle Ages Comic Medievalism Louise D'Arcens, 2014 The role of laughter and humour in the postmedieval citation interpretation or recreation of the middle ages has hitherto received little attention a gap in scholarship which this book aims to fill Examining a wide range of comic texts and practices across several centuries from Don Quixote and early Chaucerian modernisation through to Victorian theatre the Monty Python films television and the experience of visiting sites of heritage tourism such as the Jorvik Viking Museum at York it identifies what has been perceived as uniquely funny about the Middle Ages in different times and places and how this has influenced ideas not just about the medieval but also about modernity Tracing the development and permutations of its various registers including satire parody irony camp wit jokes and farce the author offers fresh and amusing insight into

comic medievalism as a vehicle for critical commentary on the present as well as the past and shows that for as long as there has been medievalism people have laughed at and with the middle ages Louise D Arcens is Associate Professor in English Literatures at the University of Wollongong

Medieval Crime Fiction Anne McKendry, 2019-04-23 Combining elements of medievalism the historical novel and the detective narrative medieval crime fiction capitalizes upon the appeal of all three the most famous examples being Umberto Eco's *The Name of the Rose* one of the best selling books ever published and Ellis Peters' endearing *Brother Cadfael* series Hundreds of other novels and series fill out the genre in settings ranging from the so called Celtic Enlightenment in seventh century Ireland to the ruthless Inquisition in fourteenth century France to the mean streets of medieval London The detectives are an eclectic group including weary ex crusaders former Knights Templar enterprising monks and nuns and historical poets such as Geoffrey Chaucer This book investigates the enduring popularity of the largely unexamined genre and explores its social cultural and political contexts

From Medievalism to

Early-Modernism Marina Gerzic, Aidan Norrie, 2018-10-26 *From Medievalism to Early Modernism Adapting the English Past* is a collection of essays that both analyses the historical and cultural medieval and early modern past and engages with the medievalism and early modernism a new term introduced in this collection present in contemporary popular culture By focusing on often overlooked uses of the past in contemporary culture such as the allusions to John Webster's *The Duchess of Malfi* 1623 in J K Rowling's *Harry Potter* books and the impact of intertextual references and internet fandom on the BBC's *The Hollow Crown* *The Wars of the Roses* the contributors illustrate how cinematic televisual artistic and literary depictions of the historical and cultural past not only re purpose the past in varying ways but also build on a history of adaptations that audiences have come to know and expect *From Medievalism to Early Modernism Adapting the English Past* analyses the way that the medieval and early modern periods are used in modern adaptations and how these adaptations both reflect contemporary concerns and engage with a history of intertextuality and intervisuality

Medievalism in A Song of Ice

and Fire and Game of Thrones Shiloh Carroll, 2018 *Game of Thrones* is famously inspired by the Middle Ages but how authentic is the world it presents This volume offers different angles to the question One of the biggest attractions of George R R Martin's high fantasy series *A Song of Ice and Fire* and by extension its HBO television adaptation *Game of Thrones* is its claim to historical realism The author the directors and producers of the adaptation and indeed the fans of the books and show all lay claim to Westeros its setting as representative of an authentic medieval world But how true are these claims Is it possible to faithfully represent a time so far removed from our own in time and culture And what does an authentic medieval fantasy world look like This book explores Martin's and HBO's approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns Examining both books and programme from a range of critical approaches medievalism theory gender theory queer theory postcolonial theory and race theory Dr Carroll analyzes how the drive for historical realism affects the books and show's treatment of men women people of colour sexuality

and imperialism as well as how the author and showrunners discuss these effects outside the texts themselves SHILOH CARROLL teaches in the writing center at Tennessee State University

The Oxford Handbook of Music and Medievalism Stephen C. Meyer, Kirsten Yri, 2020-03-02 The Oxford Handbook of Music and Medievalism provides a snapshot of the diverse ways in which medievalism the retrospective immersion in the images sounds narratives and ideologies of the European Middle Ages powerfully transforms many of the varied musical traditions of the last two centuries Thirty three chapters from an international group of scholars explore topics ranging from the representation of the Middle Ages in nineteenth century opera to medievalism in contemporary video game music thereby connecting disparate musical forms across typical musicological boundaries of chronology and geography While some chapters focus on key medievalist works such as Orff's Carmina Burana or Peter Jackson's Lord of the Rings films others explore medievalism in the oeuvre of a single composer e.g. Richard Wagner or Arvo Pärt or musical group e.g. Led Zeppelin The topics of the individual chapters include both well known works such as John Boorman's film Excalibur and also less familiar examples such as Eduard Lalo's Le Roi d'Ys The authors of the chapters approach their material from a wide array of disciplinary perspectives including historical musicology popular music studies music theory and film studies examining the intersections of medievalism with nationalism romanticism ideology nature feminism or spiritualism Taken together the contents of the Handbook develop new critical insights that venture outside traditional methodological constraints and provide a capstone and point of departure for future scholarship on music and medievalism

Medievalism Elizabeth Nicole Emery, Richard J. Utz, 2014 Definitions of keywords and terms for the study of medievalism

International Medievalism and Popular Culture Louise D'Arcens, Andrew Lynch, 2014-04-18 Today medievalism is increasingly intelligible as a cultural lingua franca produced in trans and international contexts with a view to reaching popular international audiences some of mass scope This book offers new perspectives on international relations and how global concerns are made available through contemporary medievalist texts It questions how research in medievalism may help us rethink the terms of internationalism and globalism within popular cultures ideologies and political formations It investigates how the diverse media of medievalism print film and television arts and crafts fashion digital media clubs and fandom affect its cultural meaning and circulation and its social function and engage questions of desire gender and identity construction As a whole International Medievalism and Popular Culture differs from those studies which have concentrated on imaginative appropriations of the middle ages for domestic cultural contexts It investigates rather how contemporary cultures engage with medievalism to map and model ideas of the international the trans national the cosmopolitan and the global This book includes examples from Europe Britain North America Australia and the Arab world It discusses the formation and the impact of popular medievalism in the globalised worlds of Braveheart Disney and Harry Potter but it also explores how the contemporary medieval imaginary generates international cultural perspectives for example in considering Middle Eastern reception of Ridley Scott's Kingdom of Heaven

the Byzantinism of Julia Kristeva and Hedley Bull's postnationalist new medievalism International Medievalism in Popular Culture is an important contribution to medieval studies cultural studies and historical studies It will be of value to undergraduate postgraduate and academic readers as well as to all interested in popular culture or medievalism

The Middle Ages in Popular Culture: Medievalism and Genre Helen Young, 2015-07-08 This fascinating study places multiple genres in dialogue and considers both medievalism and genre to be frameworks from which meaning can be produced It explores works from a wide range of genres children's and young adult historical cyberpunk fantasy science fiction romance and crime and across multiple media fiction film television video games and music The range of media types and genres enable comparison and the identification of overarching trends while also allowing comparison of contrasting phenomena As the first volume to explore the nexus of medievalism and genre across such a wide range of texts this collection illustrates the fractured ideologies of contemporary popular culture The Middle Ages are more usually and often more prominently aligned with conservative ideologies for example around gender roles but the Middle Ages can also be the site of resistance and progressive politics Exploring the interplay of past and present and the ways writers and readers work engage with them demonstrates the conscious processes of identity construction at work throughout Western popular culture The collection also demonstrates that while scholars may have by and large abandoned the concept of accuracy when considering contemporary medievalisms the Middle Ages are widely associated with authenticity and the authenticity of identity in the popular imagination the idea of the real Middle Ages matters even when historical realities do not This book will be of interest to scholars of medievalism popular culture and genre

The Middle Ages in the Modern World Bettina Bildhauer, Chris Jones, 2017-09-28 This book provides many fresh perspectives on why and how the Middle Ages continue to matter so much in the 21st century It is therefore as much about recent cultural and political history as it is about medieval history and medieval literature The introduction provides a long overview of medievalism from the 14th to the 21st centuries

The Cambridge Companion to Medievalism Louise D'Arcens, 2016-03-10 An introduction to medievalism offering a balance of accessibility and sophistication with comprehensive overviews as well as detailed case studies

Medievalisms Making The Past In The Present Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Medievalisms Making The Past In The Present free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Medievalisms Making The Past In The Present free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Medievalisms Making The Past In The Present free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Medievalisms Making The Past In The Present. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Medievalisms Making The Past In The Present any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Medievalisms Making The Past In The Present Books

What is a Medievalisms Making The Past In The Present PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Medievalisms Making The Past In The Present PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Medievalisms Making The Past In The Present PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Medievalisms Making The Past In The Present PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Medievalisms Making The Past In The Present PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for

working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
