Meditation And Contemplation An Ignatian Guide To Praying With Scripture Crossroad Book:

Christian Meditation in Clinical Practice Joshua J. Knabb, 2021-11-30 What would it look like to turn to the Christian faith to cultivate meditation practices Presenting Christian meditation as an alternative to Buddhist informed mindfulness this workbook from Dr Joshua Knabb offers a Christian sensitive approach to meditation in clinical practice focusing on both building theory and providing replicable practices for Christian clients and their therapists

Vision, Mental Imagery and the Christian Life Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align themselves with God s specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God s call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology

A Monastic Anabaptist Manifesto Jerry Truex, Mennonite Church of the Servant (Wichita, Kan.), 2011

Leading in a VUCA World Jacobus (Kobus) Kok, Steven C. van den Heuvel, 2018-11-28 This open access book brings together works by specialists from different disciplines and continents to reflect on the nexus between leadership spirituality and discernment particularly with regard to a world that is increasingly volatile uncertain complex and ambiguous VUCA The book spells out first of all what our VUCA world entails and how it affects businesses organizations and societies as a whole Secondly the book develops new perspectives on the processes of leadership spirituality and discernment particularly in this VUCA context These perspectives are interdisciplinary in nature and are informed by e g management studies leadership theory philosophy and theology

Contemplative Prayer at Work in Our Lives Geoff Colvin, 2021-05-24 While many practicing Christians are relatively satisfied with their prayer life others are not The latter often find their prayer practice has dried up Their traditional forms of prayer at churches have become routine and empty In a very real sense there is a void in their spiritual lives They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer In *Contemplative Prayer at Work in Our Lives* Geoff Colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness

Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being This book offers Christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God *Escape From Evil's Darkness* Robert Spitzer,2021-02-19 In this second volume of the Called Out of Darkness trilogy Father Robert Spitzer S J draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research offering practical ways to live out the gospel in our busy days It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ Giving evidence that Jesus established just one Church with Peter as its head Spitzer shows that the Catholic Church with its rich array of sacraments teachings prayer traditions and lived examples of holiness continues to be fertile ground for profound Christian conversion But no true conversion is purely spiritual it must bear fruit in our daily lives Father Spitzer guides readers through the workings of moral transformation with detailed sketches of all the cardinal and theological virtues especially love Using insights from Saint Ignatius of Loyola as well as from modern psychology *Escape from Evil s Darkness* concludes with an in depth study of the sacrament of confession and the staggering power of God s loving mercy *At the Feet of Jesus* Bruce Hindmarsh,Carolyn Hindmarsh,2025-04-29 Transform Your Prayer Life and Draw Closer to Jesus *At the Feet of Jesus* isn t just another book about prayer It s a guided adventure into the heart of the gospel story inviting you to step into the lives of some of Jesus closest friends Mary Martha and Lazarus Picture yourself sitting at Jesus feet in faith just like Mary did or finding hope and love in his presence just as Martha and Lazarus experienced *At the Feet of Jesus* makes these timeless stories come alive offering you a chance to experience Jesus love in a profoundly personal way *At the Feet of Jesus* was written to bring you into a deeper more intimate relationship with Jesus transforming your daily routine into a spiritual retreat Unique Features Prayerful Readings of Scripture Engages you with the Word of God in a way that speaks directly to your heart Personal and Group Retreat Guide Perfect for individuals wanting a solitary retreat or groups looking to grow together in faith Experiential Exercises Thought provoking activities that encourage you to encounter Jesus personally and profoundly Open the door to a more profound prayer life and a closer relationship with Jesus as you embark on a daily spiritual retreat that will enrich your faith and transform your daily life *The Psychology of World Religions and Spiritualities* Timothy A. Sisemore,Joshua J. Knabb,2021-09-20 This compendium of introductory essays invites scholars and clinicians to better understand people of various faiths from around the world It is intended to correct the tendency among scientists to study religious behavior without accounting for its human dimension For example a psychologist describes a religious ceremony in a certain community as a sociological phenomenon Such a technical description is likely to strike members of that community as an attempt by science to explain away their beliefs This is counterproductive In order to work effectively and empathetically with people of faith psychologists should seek an intimate knowledge of how religion operates

in the hearts and minds of living breathing human beings With this goal in mind editors Timothy Sisemore and Joshua Knabb have made one of the world s major religions the subject of a separate chapter In addition they have arranged for each chapter to be written by a psychologist who practices or is culturally connected with that religion This marks the book s unique contribution to the field it is the product of people who have lived the world s religions not merely studied them By taking such a respectful approach the book promotes an appreciation for the ways that religious belief animates inspires and instructs its adherents Moreover the indigenous point of view of these essays will help scholars identify their own biases when researching religious groups allowing them to produce more accurate and holistic analyses Psychologists understand that religion and spirituality provide meaning and purpose to billions of people around the globe But the actual experience of these beliefs eludes the grasp of the reductionistic methods of science With this resource at their side psychologists in academic and clinical settings will be equipped to understand religious experience from the bottom up and honor the beliefs and practices of the people they are trying to help

Meditation and Contemplation Timothy M. Gallagher,2008 The cornerstones of Ignatius of Loyola s spiritual practice meditation and contemplation are clearly explained in this simple guide to the Ignatian method with examples from the experience of practitioners and quotations from Catholic spiritual teachers In the process the deeper structure of the spiritual practice is illuminated and advice about adapting it to individual needs is offered Topics include methods of praying struggles and growth and the importance and role of grace Individuals who desire to pray with scripture spiritual directors and all who teach prayer with scripture will benefit from the counsel in this resource

A Place Called Golgotha Elizabeth (Liz) Kelly,2023-01-26 Imagine being near Jesus crucified in the place of the skull abandoned by all but a few In this powerful book author Liz Kelly places you at the foot of the cross and offers thought provoking insights into Jesus last words Meditate on what Jesus words really mean for you and deepen your understanding of his life death and resurrection This book makes a wonderful personal retreat or gift and can be picked up anytime of year but is especially meaningful during Lent Each chapter includes opportunities for prayer and journaling

The Science of the Cross Saint Edith Stein, Josephine Koeppel OCD, 2002-03-10 To help celebrate the fourth centenary of the birth of St John of the Cross in 1542 Edith Stein received the task of preparing a study of his writings She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night Pointing out how entering the night is synonymous with carrying the cross she provides a condensed presentation of John's thought on the active and passive nights as discussed in *The Ascent of Mount Carmel* and *The Dark Night* All of this leads Edith to speak of the glory of resurrection that the soul shares through a unitive contemplation described chiefly in *The Living Flame of Love* In the summer of 1942 the Nazis without warrant took Edith away The nuns found the manuscript of this profound study lying open in her room **Faith-Based ACT for Christian Clients** Joshua J. Knabb, 2022-07-12 Faith Based ACT for Christian Clients balances empirical evidence with theology to give mental health professionals a deep understanding of both the why and how of acceptance and commitment therapy ACT for Christians The new edition includes updated discussions in each chapter more than 20 new and updated exercises and new chapters on couples and trauma The book includes a detailed exploration of the overlap between ACT and the Christian faith case studies and techniques that are explicitly designed to be accessible to both non Christian and Christian including evangelical Christian counselors and therapists Chapters also present the established research on Buddhist influenced mindfulness meditation and newer research on Christian derived meditative and contemplative practices and lay a firm theological foundation through the use of engaging biblical stories and metaphors The Cry of the Earth and the Cry of the Poor Kathleen P. Rushton, 2020-05-29 Despite the explicit proclamation in John's Gospel of the Word made flesh it is hard to preach such an esoteric Gospel in a way which offers something concrete relevant and timely for congregations Focused around the lectionary readings from the Gospel *The Cry of the Earth and the Cry of the Poor* suggests that far from being a Gospel which sits at a safe remove from every day life it can in fact be preached as an urgent call to hear the voices of the oppressed in our world Encouraging preachers to engage in the ancient practice of lectio divina the book offers an accessible resource to help address the divorce between what is heard from pulpit and the urgent social and ecological justice concern of our times American Book Publishing Record ,1991 **Whitaker's Books in Print** ,1998 The Catholic Periodical and Literature Index ,2000
