Meet The Rabbis Rabbinic Thought And The Teachings Of Jesus:

Meet the Rabbis Brad H. Young, 2007-06-01 *Meet the Rabbis* explains to the reader how rabbinic thought was relevant to Jesus and the New Testament world and hence should be relevant to those people today who read the New Testament. In this sense rabbinic thought is relevant to every aspect of modern life. Rabbinic literature explores the meaning of living life to its fullest in right relationship with God and humanity. However many Christians are not aware of rabbinic thought and literature. Indeed most individuals in the Western world today regardless of whether they are Christians, atheists, agnostics, secular community leaders or some other religious and political persuasions are more knowledgeable of Jesus' ethical teachings in the Sermon on the Mount than the Ethics of the Fathers in a Jewish prayer book. The author seeks to introduce the reader to the world of Torah learning. It is within this world that the authentic cultural background of Jesus' teachings in ancient Judaism is revealed. Young uses parts of the New Testament, especially the Sermon on the Mount, as a springboard for probing rabbinic method. The book is an introduction to rabbinic thought and literature and has three main sections in its layout: Introduction to Rabbinic Thought, Introduction to Rabbinic Literature, and *Meet the Rabbis*, a biographical description of influential Rabbis from Talmudic sources.

Meet the Rabbis Brad Young, 2007. What does Jesus' Sermon on the Mount have in common with the ancient literature of the Jewish rabbis? Much more than most Jewish and Christian people often realize. Jesus was addressed as rabbi, as were the most devout teachers in the synagogues of his day. Despite the common values and Scriptures shared by these two great religions, many Christians have little knowledge of the great Jewish rabbis who wrote from the time of Jesus and the writing of the New Testament in the first century to the completion of the Talmud in the seventh century. Young believes this ignorance of the important literature and religious leaders of that period has caused an unnecessary division between the adherents of both religions. **BOOK JACKET** *Fe y Desplazamiento* Christopher M. Acosta, 2022-12-20. Durante décadas la nación de Colombia ha sufrido el flagelo del desplazamiento forzado debido al conflicto armado, lo cual ha dejado más de ocho millones sin hogar y sin tierra. Para responder ante esta crisis, los teólogos de la Fundación Universitaria Seminario Bíblico de Colombia crearon una metodología de investigación accionaria misionera a fin de entender el fenómeno del desplazamiento forzado, movilizar a las iglesias del país y así fomentar la recuperación holística de las víctimas. Se involucraron docenas de estudiosos y profesionales de cuatro continentes, además de coinvestigadores seleccionados de las mismas comunidades desplazadas. La investigación abarcó los campos de la teología, la economía, la política, la pedagogía, la sociología y, naturalmente, la teología. El fruto de esta colaboración innovadora fue una intervención llamada *Fe y Desplazamiento*, la cual se ha implementado en docenas de comunidades a lo largo del país. Este libro recopila sus hallazgos y aprendizajes describiendo el potencial de la metodología de investigación accionaria misionera y demostrando el poder de la investigación teológica interdisciplinaria puesta al servicio de la misión de la iglesia local. **Rückzug oder Kreuzzug?**

Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson,2023-06-02 Ruth Christa Mathieson s unique reading of Matthew s parable of the royal wedding feast Matt 22 1 14 which concludes with the king s demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest s expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained

Recovering the Lost Legacy Jean Risley,2015-03-31 At first Christianity was just another form of Judaism The first non Jews who joined the movement were a minority in a Jewish communityconsidered resident aliens among the people of Israel The expectations in the Scriptures for Gentiles among the people were the basis for welcoming Gentiles into the early church When the majority of people in the church no longer shared Jewish law and customs the memory of what it meant to be non Jewish in a Jewish community to be righteous before God as a Gentile was lost Recovering the Lost Legacy shows how to tell which biblical commandments are intended for non Jewish Christians and how to identify the moral commandments in scripture It separates commands to be followed from examples to learn from letting us see biblical figures like King David as both good and bad examples It explains what Jesus and Paul actually said about righteousness law and behavior It clarifies what life changes new non Jewish Christians were expected to make to become followers of Jesus It shows how to use moral guidance in our own spiritual growth without creating an obstacle to the gospel message of love and forgiveness Recovering the Lost Legacy provides a solid biblical foundation for understanding moral issues Readers will learn what kind of behavior Jesus and the apostles expected of their followers and they will be able to use biblical reasoning in their own conflicts over which behaviors are and are not acceptable for those who want to live by the scripture Jean Risleys Recovering the Lost Legacy speaks directly and forthrightly into a vital need in todays churches the need for concrete moral guidance for Christian living and mission informed by the revealed moral laws of the Old and New Testaments Risley pinpoints many of the confusions and misunderstandings of the nature of biblical law and its purposes and provides practical suggestions for connecting these

principles in the life of the church I commend it warmly to all pastors and church leaders who seek a more comprehensive theological basis for Christian discipleship today John Jefferson Davis Professor of Systematic Theology Christian Ethics Gordon Conwell Theological Seminary

The Biblical Tour of Hell Matthew Ryan Hauge, 2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in Odyssey Book 11 the literary model par excellence of postmortem revelation in antiquity

Ancient Education and Early Christianity Matthew Ryan Hauge, Andrew W. Pitts, 2016-02-11 What was the relationship of ancient education to early Christianity This volume provides an in depth look at different approaches currently employed by scholars who draw upon educational settings in the ancient world to inform their historical research in Christian origins The book is divided into two sections one consisting of essays on education in the ancient world and one consisting of exegetical studies dealing with various passages where motifs emerging from ancient educational culture provide illumination The chapters summarize the state of the discussion on ancient education in classical and biblical studies examine obstacles to arriving at a comprehensive theory of early Christianity's relationship to ancient education compare different approaches and compile the diverse methodologies into one comparative study Several educational motifs are integrated in order to demonstrate the exegetical insights that they may yield when utilized in New Testament historical investigation and interpretation

The Parables Brad H. Young, 2008-03 Young focuses on the historical development and theological significance of parables in the Jewish and Christian traditions examining parallels between the rabbinic and Gospel parables

Jesus the Jewish Theologian Brad Young, 1995 Jesus the Jewish Theologian establishes Jesus firmly within the context of first century Judaism and shows how understanding Jesus' Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith Insights from Jewish literature archeology and tradition help modern readers place Jesus within his original context Particular attention is given to the Jewish roots of Jesus' teaching concerning the kingdom of God this book illuminates anew how Jewish Jesus was That should come as no surprise to Jews or to Christians although it often does Jesus grew from the soil of his people In reading this book I was struck again and again with how Jesus' teachings were paralleled in my own tradition Dr Young's

book is not intended to diminish Jesus teaching but to show its roots Rabbi David Wolpe University of Judaism Los Angeles Dr Young permits the words of Jesus to glisten within their own Semitic setting He has done his readers a great service in introducing them to Jewish theological thought What emerges however is not Jesus the Jewish theologian in any Western systematic sense Rather in Jesus Dr Young presents an Eastern or Semitic theologian one who employs a living vibrant theology Marvin R Wilson Gordon College
