MEETING GOD

"This is a book that simply glows with light and life. The Hindu world that Stephen Huyler shows us is luminous, infused with spirituality, and deeply inspiring."

—Doreen Cantor

"There is much to be learned from the serene, reaching, simple Hinduism filtered through the brilliant lens of Stephen Huyler."

—Thomas Moore, author of *Care of the Soul*

Stephen Huyler is an artist and a devotee of the way through the Hindu path. As he shows through photographs, which are his medium, he shows us a world of light and life, a world of spirituality and devotion that is deeply inspiring.

Religiöse Blicke - Blicke auf das Religiöse Bärbel Beinhauer-Köhler,Daria Pezzoli-Olgiati,Joachim Valentin,2010-01-01 International conference proceedings March 2008 Frankfurt am Main Ananda Devi Ritu Tyagi,2013-10-10 Ananda Devi Feminism Narration and Polyphony is the first full length monograph devoted to Ananda Devi a dynamic contemporary Francophone writer Recipient of Prix Louis Guilloux and Prix T l vision Suisse Romande du Roman she is described by many as a prototype of a new generation of Mauritian writers This book analyses Devi s unconventional polyphonic narratives particularly her strategies that allow marginalized narrators to disrupt androcentric and dominant structures of narrative construction thereby creating hybrid magical spaces for feminine expression Drawing on the notion of feminist narratology that investigates the relation between gender and narrative this book focuses on a wide range of Western and non Western narrative strategies such as plot and plotlessness narrative metalepsis pluritemporality multisubjectivity myths folktales and magic It also demonstrates how her texts become the point of convergence of the West and the non West the feminine and the androcentric the real and the extra real as muted discourses resurface and traditional distinctions between categories are blurred in favor of alternate and new possibilities As this book is interdisciplinary in its approach it will appeal to a broad range of audience from those interested in Contemporary Francophone and Indian Ocean Literature to scholars in Women s Writing Post Colonial Studies and Narratology *Creativity in Transition* Maruška Svašek,Birgit Meyer,2016-07-01 In an era of intensifying globalization and transnational connectivity the dynamics of cultural production and the very notion of creativity are in transition Exploring creative practices in various settings the book does not only call attention to the spread of modernist discourses of creativity from the colonial era to the current obsession with innovation in neo liberal capitalist cultural politics but also to the less visible practices of copying recycling and reproduction that occur as part and parcel of creative improvisation A Place at the Multicultural Table Prema Kurien,2007-06-19 Multiculturalism in the United States is commonly lauded as a positive social ideal celebrating the diversity of our nation But in reality immigrants often feel pressured to create a singular formulation of their identity that does not reflect the diversity of cultures that exist in their homeland Hindu Americans have faced this challenge over the last fifteen years as the number of Indians that have immigrated to this country has more than doubled In A Place at the Multicultural Table Prema A Kurien shows how various Hindu American organizations religious cultural and political are attempting to answer the puzzling questions of identity outside their homeland Drawing on the experiences of both immigrant and American born Hindu Americans Kurien demonstrates how religious ideas and practices are being imported exported and reshaped in the process

The result of this transnational movement is an American Hinduism an organized politicized and standardized version of that which is found in India This first in depth look at Hinduism in the United States and the Hindu Indian American community helps readers to understand the private devotions practices and beliefs of Hindu Indian Americans as well as their political mobilization and activism It explains the differences between immigrant and American born Hindu Americans how both understand their religion and their identity and it emphasizes the importance of the social and cultural context of the United States in influencing the development of an American Hinduism

What About God? , Revelry, Rivalry, and Longing for the Goddesses of Bengal Rachel Fell McDermott, 2011-05-31 Annually during the months of autumn Bengal hosts three interlinked festivals to honor its most important goddesses Durga Kali and Jagaddhatri While each of these deities possesses a distinct iconography myth and character they are all martial Durga Kali and Jagaddhatri often demand blood sacrifice as part of their worship and offer material and spiritual benefits to their votaries Richly represented in straw clay paint and decoration they are similarly displayed in elaborately festooned temples thronged by thousands of admirers The first book to recount the history of these festivals and their revelry rivalry and nostalgic power this volume marks an unprecedented achievement in the mapping of a major public event Rachel Fell McDermott describes the festivals origins and growth under British rule She identifies their iconographic conventions and carnivalesque qualities and their relationship to the fierce Tantric sides of ritual practice McDermott confronts controversies over the tradition of blood sacrifice and the status seekers who compete for symbolic capital Expanding her narrative she takes readers beyond Bengal s borders to trace the transformation of the goddesses and their festivals across the world McDermott s work underscores the role of holidays in cultural memory specifically the Bengali evocation of an ideal culturally rich past Under the thrall of the goddess the social political economic and religious identity of Bengalis takes shape

Studying Religion and Disability Emily O. Gravett, 2025-08-20 Studying Religion and Disability introduces students to the many compelling and influential intersections between religion and disability. The early chapters offer introductions to the two fields, defining key terms and definitions, tracing their origins and evolutions, while also demonstrating some of the biases and baggage they bring. The organization of the later chapters is inspired by the formal phenomenological or resemblance approach to understanding religion, exposing students to different dimensions that all religions seem to have in common, such as practices or places, regardless of their specific content. Featuring examples from a variety of religions, this book considers how these religions have intersected with a variety of disabilities across space and time. This book provokes thought and discussion around important questions, including how different disabilities are perceived, represented, and constructed in different dimensions of religion; how and why people with disabilities engage with religion; potential or documented barriers that religions present to disabled people; and opportunities and insights that result when each is viewed through the lens of the other. It will be essential reading for all students of Religion and Disability.

Living Folk Religions Sravana Borkatakya-Varma, Aaron Michael Ullrey, 2023-05-30 Living Folk Religions presents cutting edge contributions from a range of disciplines to examine religious folkways across cultures. This collection embraces the non elite and non sanctioned, the oral, fluid, accessible, evolving religions of people on the ground. Split into five sections, this book covers: What Is Folk Religion; Spirit Beings and Deities; Performance and Ritual Praxis; Possession and Exorcism; Health, Healing, and Lifestyle. Topics include: demons and ambivalent gods; tree and nature spirits; revolutionary renunciates; oral lore; possession and exorcism; divination; midwestern American spiritualism; festivals; queer sexuality among ritual specialists; the dead returned; vernacular religions; diaspora adaptations; esoteric influences underlying public cultures; unidentified flying objects; UFOs; music and sound; experiences of death; rituals and body and wellness cultures. Living Folk Religions is a must read for those studying Comparative Religions, World Religions, and Religious Studies, and it will also interest specialists and general readers, particularly enthusiastic readers of Anthropology, Folklore, and Folk Studies, Global Studies, and Sociology.

Educating About Religious Diversity and Interfaith Engagement Kathleen M. Goodman, Mary Ellen Giess, Eboo Patel, 2023-07-03 This book arises out of a recognition that student affairs professionals have little preparation or guidance in dealing with matters of spirituality, religion, secularity, and interfaith work at a time of greater diversity in students' beliefs, and from a broad recognition that there is a need to engage with this aspect of student life. For those who don't know how to begin and may be nervous about tackling a topic that has the potential to lead to heated disagreements, this book provides the resources and practical guidance to undertake this work. With the aim of providing student affairs practitioners and faculty with the tools they need to increase their comfort level and enable their ability to engage in discussions about belief, both in and out of the classroom, the contributors provide foundational knowledge, concrete teaching ideas, sample activities, and case studies that can be used in a variety of settings. This book serves multiple audiences in student affairs by providing teaching ideas for practitioners.

who want to include a session or two about interfaith in their programs as well as ideas for student affairs faculty who may be teaching one session on this topic or a whole course The book is divided into four sections The first offers context provides the findings of research and asks readers to reflect on the framework they use to embark on this work whether a social justice framework that aims to highlight issues of power and privilege or an interfaith cooperation framework that aims to create religious pluralism Part Two provides concrete ideas for creating courses activities events and programs focused on spirituality religion secularity and interfaith engagement as well as ideas for incorporating these topics into courses typically offered in student affairs preparation programs Part Three presents case studies to engage students practitioners and faculty in thinking about campus situations related to religious diversity Part Four provides some basic information about a variety of religions and worldviews held by college students

Imagining Religious Communities Jennifer Beth Saunders, 2019 Imagining Religious Communities tells the story of the Gupta family through the personal and religious narratives they tell as they create and maintain their extended family and community across national borders Based on ethnographic research the book demonstrates the ways that transnational communities are involved in shaping their experiences through narrative performances Jennifer B Saunders demonstrates that narrative performances shape participants social realities in multiple ways they define identities they create connections between community members living on opposite sides of national borders and they help create new homes amidst increasing mobility The narratives are religious and include epic narratives such as excerpts from the Ramayana as well as personal narratives with dharmic implications Saunders analysis combines scholarly understandings of the ways in which performances shape the contexts in which they are told indigenous comprehension of the power that reciting certain narratives can have on those who hear them and the theory that social imaginaries define new social realities through expressing the aspirations of communities Imagining Religious Communities argues that this Hindu community's religious narrative performances significantly contribute to shaping their transnational lives [Sharing](#)

The Palgrave Handbook of Anthropological Ritual Studies Pamela J. Stewart, Andrew J. Strathern, 2021-08-24 Ritual Studies have achieved prominence since the 1980s when interest in ritual as an object of inquiry was established bridging over a number of humanities and social science disciplines Both connected with religious studies and independent of it overlapping with social and cultural anthropology but also with history related to science and health practices and ranging across the life course to education Ritual Studies has come to encompass studies of change and dynamism in social life Rituals are determinate in form but not static They enunciate distinctive social values within specific contexts that frame them and they relate to the wider concerns and issues of their practitioners Due to this broad and wide ranging scope it is often difficult to find a single resource on Ritual Studies and even more so to find one which moves beyond the beginnings of anthropological theorizing to grapple with the present day contexts of ritual Bringing together recent ethnographies of ritual practice and ritualization from across the globe this Handbook provides case study of ritual in the light of Emotion and Cognition Identity Religious Power Performance and Literature Ecology and Ecological Disaster Media and other topics While each chapter provides a deep ethnography of a specific society ritual or ritualized practice each also engages with current theoretical and substantive approaches to the relevant topic The scholars collected here provide original synoptic and indicative pieces as guideposts and pathways through the complex varied and cross disciplinary and vast landscape of scholarship that constitutes Ritual Studies today and points to developments in the future

Christmas Donald Heinz, Christmas A Festival of Incarnation is a lively engaging introduction to the history of Christmas where it comes from what meanings it holds and why it is our most treasured celebration From the origins of Christmas in the sacred texts of early Christianity to the figure of Santa Claus to the commercial spree of today Donald Heinz s work is a marvelous pilgrimage through lived religion as it appears in folkways music literature and art and includes a gallery of images each capturing the spirit and significance of the nativity story Provocative and persuasive this insightful book shows how our festival of incarnation invites wide angled amazement at the rich popular and theological meanings that this celebration holds Heinz offers a splendid overview on Christmas blending history theology festival culture and lived religious experiences Readers will learn from it perhaps be inspired by it Recommended reading for both the faithful and those caught up in the spirit of the season but not quite Sure why or how Wade Clark Roof J F Rowny Professor of Religion University of California at Santa Barbara

Aesthetics of Religion Alexandra K. Grieser, Jay Johnston, 2017-12-18 This volume is the first English language presentation of the innovative approaches developed in the aesthetics of religion The chapters present diverse material and detailed analysis on descriptive methodological and theoretical concepts that together explore the potential of an aesthetic approach for investigating religion as a sensory and mediated practice In dialogue with yet different from other major movements in the field material culture anthropology of the senses for instance it is the specific intent of this approach to create a framework for understanding the interplay between sensory cognitive and socio cultural aspects of world construction The volume demonstrates that aesthetics as a theory of sensory knowledge offers an elaborate repertoire of concepts that can help to understand religious traditions These approaches take into account contemporary developments in scientific theories of perception neuro aesthetics and cultural studies highlighting the socio cultural and political context informing how humans perceive themselves and the world around them Developing since the 1990s the aesthetic approach has responded to debates in the study of religion in particular striving to overcome biased categories that confined religion either to texts and abstract beliefs or to an indisputable sui generis mode of experience This volume documents what has been achieved to date its significance for the study of religion and for interdisciplinary scholarship
