Cookbook for systems change – Nordic innovation strategies for sustainable food systems
Halloran, Afton, Wood, Amanda, Aguirre, Florencia, Persson, Marie, 2020-12-15 Available online <https://pub.norden.org/nord2020/048> This cookbook of strategies for change is about the role that a strong public innovation system plays along the

pathways towards sustainable food systems We demonstrate this through a mission approach for deliberate food system transformation that can support people planet and society This strategy cookbook will provide the ingredients templates for developing interventions guides for how to get started and examples of cross cutting projects that you can use to create your own recipes for change We offer a new emergent way to work with complex and dynamic systems The cookbook is intended primarily for national and regional innovation agencies as the government has both a mandate and more authority than any other entity to lead the change needed to achieve sustainable food systems However because innovation ecosystems include a variety of different actors this strategy cookbook also provides valuable insights into the roles that entrepreneurs and civil society and research organisations can play to cultivate change from the bottom up
