Head Over Heels Jill Mansell, 2010-10-06 Jill Mansell's Sunday Times bestseller HEAD OVER HEELS is not to be missed by readers of Veronica Henry and Marian Keyes. Jill's novels are loved by reviewers. Aching romantic Heat Jessie has kept the identity of her son Oliver's father a secret for years. She's stunned when she discovers that the man in question actor Toby Gillespie has just moved in next door. The truth's about to come out. One glance at Oliver and a little mental arithmetic and Toby has the situation sussed. Meeting the son he never knew he had is the shock of a lifetime. It's a shock too for Toby's wife the beautiful Deborah though she seems to take it in her stride. Would Deborah be so relaxed if she knew just how close Toby wants to get to the mother of his firstborn. As the attraction between them flares up again Jessie just can't see her way to a happy ending. But no one is quite what they seem and there are more surprises to come. What readers are saying about Head Over Heels Beautifully written with plenty of romance humour warmth wit and fun. A fabulous read which I would highly recommend. Goodreads reviewer 5 stars. A well written book with colourful characters witty dialogue and cleverly crafted surprises. Goodreads reviewer 5 stars. I can't recommend this book highly enough. Funny romantic and characters you really care about. This is my favourite Jill Mansell novel to date. Amazon reviewer 5 stars. *Measure and the Truth* Doug

For Eldred teachers of writing need to experience the art and craft of composing creative nonfiction and essays firsthand exploring multiple perspectives genres styles modes structures and

subjects They will be at their best she argues if they enact what they profess Sentimental Attachments opens and closes with important and passionate arguments about why teachers of composition must also be writers of what Eldred calls lived experience At its center however the book offers a series of lyrical evocative exploratory essays that address a range of essential and complex questions How do we compose our personal and professional identities How do we represent our different selves without compromising other parts of our lives and perhaps even more important the lives of others How do we maintain a strong voice in the world without losing sight of other people places histories and ideas Like others who defy the conventional view that we must hold the personal separate from the political or the professional Janet Carey Eldred believes that teachers of writing must compose themselves as they help others to compose We are living drafts in progress she writes and in Sentimental Attachments she models the kinds of composition and revision that make life and the life of writing and teaching meaningful
