Meltdown Preparation Series Book 2:

Red Tape (Book 3 of White Rabbit) Stuart Oldfield, 2012-08-24 With his life in complete meltdown in this world Simon Cadwallader finds himself unexpectedly transported into an alternative reality Hallucinogenic dream or a parallel universe Either way he arrives completely disorientated and with no memory of his previous life not even his own name As he gradually gets his bearings it becomes apparent that our amnesiac hero is an unwitting participant in a game about which he knows nothing Indeed as the story unfolds the absolutely pivotal nature of his role in this game becomes disturbingly clear as does the multitude of attendant dangers The four books of the series follow the stranded hero as he struggles through a world of which he is not part in his search for a way home Alice in Wonderland for adults Odyssey for the post psychedelic age or improbable mystical allegory White Rabbit combines black comedy with surreal adventure into a weird and fantastical entertainment
