FOR THE CRIME WRITERS ASSOCIATION 2024 ALCS GOLD DAGGER FOR NON FICTION HIGHLY COMMENDED FOR BEST NEW AUTHOR AT THE 2024 TRUE CRIME AWARDS JUDGES CITATION A cleverly constructed account of three different characters representing different aspects of the ruthless and fierce drugs trade Never a dull moment A real page turner This book is gripping and immerses you in the very real world of the characters Read this powerful book by Miles Johnson right now It will make you realise that what we call terrorism is actually drug trafficking what we call politics is organised crime and what we call peace is just a truce between mafias Roberto Saviano author of Gomorrah McMafia for the new age Catherine Belton author of Putin s People How the KGB Took Back Russia and then took on the West Compelling visceral and highly readable Oliver Bullough bestselling author of Moneyland As breathless complex and on the edge suspenseful as the finest thriller fiction but it s all real which makes it truly extraordinary Lee Child This astonishing and cinematic rollercoaster of a debut will bring Miles Johnson s talent into the brilliant light Delivered with trademark verve and precision it achieves that rare and precious thing that is the goal of all great reporting it reveals the world to itself Alex Perry author of The Good Mothers Miles has used his extensive Italian contacts to get a fully fleshed out story in the Mafia section likewise with the Hezbollah characters He has interviewed over 100 people for the book including many hours with Jack Kelly the DEA investigator and hero of the book which gives us an intimate look at a man dedicated to catching bad guys at the expense of his personal life Dan McCrum author of Money Men A compulsive true crime thriller about modern day international drugs trafficking terrorism and the mafia following an investigation driven by one DEA agent Jack Kelly Three very different men battle to control their destinies as they hurtle through the hall of mirrors of the global shadow economy Salvatore Pititto is an ambitious Mafia capo working on a vast cocaine shipment who becomes unexpectedly pulled into an arms smuggling conspiracy Jack Kelly a veteran US Drug Enforcement Administration agent tasked with following a trail of dirty money across continents from a top secret investigative unit based in Virginia Mustafa Badreddine is a ghost like master terrorist wanted by governments across the world who has been secretly dispatched to Syria for his final mission Each man born in radically different circumstances in the 1960s is in his own way grappling with the powerful and unstoppable forces that shape the world around us forces which topple governments send refugees fleeing across borders and put guns in the hands of mercenaries and militias Each has devoted his whole life to an institution the DEA the Mafia and the Lebanese militant group Hezbollah and each will eventually be destroyed or betrayed by the thing they believe in the most Set during 2015 and 2016 as the global order began to implode under the pressures of the Syrian civil war and the European refugee crisis CHASING SHADOWS looks back over the historical conflicts events and personal histories that have shaped the lives of these three men It s a book that shows the betrayals the disillusionment and the violence as Jack Kelly hunts down his targets *The Good Spy* Kai Bird, 2014-05-20 *The Good Spy* is Pulitzer Prize winning biographer Kai Bird s compelling portrait of the remarkable life and death of one of the most important operatives in CIA history a man who had he

lived might have helped heal the rift between Arabs and the West On April 18 1983 a bomb exploded outside the American Embassy in Beirut killing 63 people The attack was a geopolitical turning point It marked the beginning of Hezbollah as a political force but even more important it eliminated America s most influential and effective intelligence officer in the Middle East CIA operative Robert Ames What set Ames apart from his peers was his extraordinary ability to form deep meaningful connections with key Arab intelligence figures Some operatives relied on threats and subterfuge but Ames worked by building friendships and emphasizing shared values never more notably than with Yasir Arafat s charismatic intelligence chief and heir apparent Ali Hassan Salameh aka The Red Prince Ames deepening relationship with Salameh held the potential for a lasting peace Within a few years though both men were killed by assassins and America s relations with the Arab world began heading down a path that culminated in 9 11 the War on Terror and the current fog of mistrust Bird who as a child lived in the Beirut Embassy and knew Ames as a neighbor when he was twelve years old spent years researching *The Good Spy* Not only does the book draw on hours of interviews with Ames widow and quotes from hundreds of Ames private letters it s woven from interviews with scores of current and former American Israeli and Palestinian intelligence officers as well as other players in the Middle East Great Game What emerges is a masterpiece level narrative of the making of a CIA officer a uniquely insightful history of twentieth century conflict in the Middle East and an absorbing hour by hour account of the Beirut Embassy bombing Even more impressive Bird draws on his reporter s skills to deliver a full dossier on the bombers and expose the shocking truth of where the attack s mastermind resides today

Fortress Israel Patrick Tyler, 2012-09-18 Once in the military system Israelis never fully exit writes the prizewinning journalist Patrick Tyler in the prologue to *Fortress Israel* They carry the military identity for life not just through service in the reserves until age forty nine but through lifelong expectations of loyalty and secrecy The military is the country to a great extent and peace will only come Tyler argues when Israel s military elite adopt it as the national strategy *Fortress Israel* is an epic portrayal of Israel s martial culture of Sparta presenting itself as Athens From Israel s founding in 1948 we see a leadership class engaged in an intense ideological struggle over whether to become the light unto nations as envisioned by the early Zionists or to embrace an ideology of state militarism with the objective of expanding borders and exploiting the weaknesses of the Arabs In his first decade as prime minister David Ben Gurion conceived of a militarized society dominated by a powerful defense establishment and capable of defeating the Arabs in serial warfare over many decades Bound by self reliance and a stern resolve never to forget the Holocaust Israel s military elite has prevailed in war but has also at times overpowered Israel s democracy Tyler takes us inside the military culture of Moshe Dayan Yitzhak Rabin Ariel Sharon and Benjamin Netanyahu introducing us to generals who make decisions that trump those of elected leaders and who disdain diplomacy as appeasement or surrender *Fortress Israel* shows us how this martial culture envelops every family Israeli youth go through three years of compulsory military service after high school and acceptance into elite commando units or air force squadrons

brings lasting prestige and a network for life So ingrained is the martial outlook and identity Tyler argues that Israelis are missing opportunities to make peace even when it is possible to do so The Zionist movement had survived the onslaught of world wars the Holocaust and clashes of ideology writes Tyler but in the modern era of statehood Israel seemed incapable of fielding a generation of leaders who could adapt to the times who were dedicated to ending Israel s isolation or to changing the paradigm of military preeminence Based on a vast array of sources declassified documents personal archives and interviews across the spectrum of Israel s ruling class FortressIsrael is a remarkable story of character rivalry conflict and the competing impulses for war and for peace in the Middle East
