Hezbollah Matthew Levitt,Director Stein Program on Counterterrorism and Intelligence Matthew Levitt,2024-11 Hezbollah The Global Footprint of Lebanon s Party of God is the most comprehensive examination of Hezbollah s covert activities beyond Lebanon s borders including its financial and logistical support networks and its criminal and terrorist operations worldwide Originally published in 2013 this paperback edition includes a new preface and epilogue by the author to update us on Hezbollah s activities in recent years particularly in supporting the Assad regime in Syria s civil war and the latest crossborder fighting between Hezbollah and Israel after October 7 2023 Hezbollah which translates as Party of God is a multifaceted organization It is a powerful political party in Lebanon a Shia Islam religious and social movement Lebanon s largest militia a close ally of Iran and Hamas and a terrorist organization Drawing on a wide range of sources including declassified government documents court records and personal interviews with intelligence and law enforcement officials around the world Matthew Levitt examines Hezbollah s beginnings its first violent forays in Lebanon and then its terrorist activities and criminal enterprises abroad in Europe the Middle East South America Southeast Asia Africa and finally in North America Levitt also describes Hezbollah s unit dedicated to supporting Palestinian

militant groups and Hezbollah's involvement in training and supporting insurgents who fought US troops in post Saddam Iraq. The book concludes with a look at Hezbollah's integral ongoing role in Iran's shadow war with Israel and the West including plots targeting civilians around the world. Levitt shows convincingly that Hezbollah's willingness to use violence at home and abroad, its global reach and its proxy patron relationship with the Iranian regime remains a serious international concern. Hezbollah is an important book for scholars, policymakers, students and the general public interested in international security, terrorism, international criminal organizations and Middle East studies.

Juki Girls, Good Girls Caitrin Lynch, 2016-05-02 When a government program brought garment factories to rural Sri Lanka, women workers found themselves caught between the pressures of a globalizing economy and societal expectations that villages are sanctuaries of tradition. These women learned quickly to resist the characterization of Juki girls, female garment workers already established in the urban sector as vulgar and deracinated, instead asserting that they were good girls who could embody the nation's highest ideals of femininity. Caitrin Lynch shows how contemporary Sri Lankan women navigate a complex web of political, cultural and socioeconomic forces. Drawing on extensive ethnographic research conducted inside export-oriented garment factories and a close examination of national policies intended to ease the way for globalization, Lynch details precisely how gender, nationalism and globalization influence everyday life in Sri Lanka. This book includes

autobiographical essays by garment workers about their efforts to attain the benefits of being seen as good while simultaneously expanding the definition of what sort of behavior constitutes appropriate conduct These village garment workers struggled to reconcile the role thrust upon them as symbols of national progress with the negative public perception of factory workers Lynch provides the context needed to appreciate the paradoxes that globalization creates while painting a sympathetic portrait of the individuals whose life stories appear in this book Identity-Based Brand Management Christoph Burmann,Nicola-Maria Riley,Tilo Halaszovich,Michael Schade,Kristina Klein,Rico Piehler,2025-07-15 This textbook provides a comprehensive overview of identity based brand management based on current research The authors focus on the design of the brand identity which covers the internal perspective of brand management and the resulting external brand image perceived by consumers and other audiences The book covers topics such as brand positioning the design of the brand architecture and brand elements the management of brand touchpoints and the customer journey as well as multi sensory brand management and brand management in a digital environment Further topics covered are international brand management brand management in the retail sector in social media and on digital brand platforms electronic marketplaces Numerous practical examples illustrate the applicability of the concept of identity based brand management The authors show that this concept is a valuable management model to make brands successful In the 3rd edition all chapters were fundamentally revised and latest research findings were integrated A new section on corporate social responsibility due to the increasing importance of brands societal and environmental responsibilities and up to date practical examples were added Additional material is available via an app Download the Springer Nature Flashcards App and use exclusive content to test your knowledge **Brunos zweite Segelyacht und deren Folgen** Bruno Hamm, Auszug aus eigenem Haus und Kauf einer 12 Meter Segelyacht Einrumpfboot in Fukuoka Japan *Lower Limb and Leg Ulcer Assessment and Management* Aby Mitchell,Georgina Ritchie,Alison Hopkins,2024-03-20 Lower Limb and Leg Ulcer Assessment and Management Lower Limb and Leg Ulcer Assessment and Management is an indispensable resource for practitioners in primary and secondary care offering a practical and accessible guide to treating and managing leg ulcers This comprehensive text challenges the misconception that leg ulcers are invariably chronic In practice proactive management will prevent the harm associated with sub optimal management Insights are provided into lower limb assessment early intervention for ulcer prevention ulcer types and their causes along with the influence that swelling and biomechanical changes have on the lower limb The authors draw on international best practice guidance on lymphoedema wound pain wound bed preparation compression therapy psychological impact and evidence based care to enhance leg ulcer management Each chapter aims to facilitate reader comprehension and promote productive patient discussions empowering healthcare professionals to collaborate with patients and improve leg ulcer management rapidly and effectively This multi disciplinary resource covers Normal venous arterial and lymphatic function in the lower leg Leg ulceration due to venous hypertension peripheral arterial disease and lymphoedema
