A Practical Guide to Paying off Your Mortgage Early Lien Luu, Sukanlaya Sawang, 2024-10-22 Owning a property is a dream for many people and borrowing from banks is often essential to achieve this However having a mortgage can cause real anxiety because of the latent fear of losing our home if we cannot keep up with mortgage payments Traditionally homeowners repay their debt over 25 years but high house prices have made it necessary to increase the term up to 40 years to make monthly payments affordable Spreading the debt over a longer period of time not only means that borrowers have to pay more interest but they are also exposed to other risks such as potential interest rate rises and changes in personal

circumstances affecting their mortgage eligibility These can lead to financial worries financial stress and reduced well being
 There are few practical guides available to show borrowers how to manage their mortgage debt more effectively and how to
 repay their mortgage quickly so that they are debt free This book seeks to empower consumers young and old by providing a
 roadmap to help borrowers achieve financial security through planning for the future insuring their income and setting up an
 emergency fund It also outlines simple strategies for an early repayment of debt including paying off the capital making extra
 payments and monitoring their mortgage debt In doing so it aims to help readers improve their general well being enhance
 their financial security reduce their financial worries and eliminate their mortgage insomnia Reproducible Federal Tax
