The Minds Behind Sega Genesis Games Patrick Hickey, Jr., 2022-07-08 Prior to the arrival of the Sega Genesis video games were still largely considered kid stuff but with a far more mature and eclectic range of titles and an understanding of what gamers wanted Sega and its Genesis Mega Drive console began to shift the expectations for what gaming could be. Never scared to innovate Sega's impact on the industry continues to this day through the games they originally developed and the technology their consoles pushed into the mainstream. Featuring interviews with the creators of over 40 games on the Sega Genesis console including Sonic the Hedgehog 2, Altered Beast, Aladdin, Earthworm Jim, and NHL 95, this book gives a behind-the-scenes look at the creation of some of the influential, iconic, and sometimes forgotten games on Sega's most important contribution to the game industry. The interviewees reveal the challenges of working with mega publishers, the uncertainties of public reception, and the creative processes that produced some of the 16-bit era's classic titles.

Hockey-ology : the Ultimate Guide to Fun & Success for Minor Hockey Kevin V. Huhn, 2004 *Hockey Night in Canada* Michael McKinley, 2012-10-30 Hockey Night in Canada has reached a great age and for television, practically an immortal one because it made itself into something that Canada couldn't live without. It is this surge of emotion that connected us all each week and which connects us through the years to now. Hockey Night in Canada didn't just aim a camera at a game and observe what happened; it actively gave the country a prism through which it could see itself and its evolving diversity. We look where the eye of Hockey Night in Canada looks, and it looks at us. We remember what it remembers. We feel what it feels. That is the dynamic that has made the show much more than a long-lived TV success; it is a cultural juggernaut. Ask fans where they saw their first hockey game, and chances are it was on Hockey Night in Canada. Ask the players, male or female, what first got them into the rink, and the answer will be the same: they wanted to be like the players on Hockey Night in Canada.
