Oral History On Trial Oral History On Trial:

Oral History on Trial Bruce Granville Miller, 2024-03-20 In many western countries judicial decisions are based on black letter law text based well established law Within this tradition testimony based on what witnesses have heard from others known as hearsay cannot be considered as legitimate evidence This interdiction however presents significant difficulties for Aboriginal plaintiffs who rely on oral rather than written accounts for knowledge transmission This important book breaks new ground by asking how oral histories might be incorporated into the existing court system Through compelling analysis of Aboriginal legal and anthropological concepts of fact and evidence *Oral History on Trial* traces the long trajectory of oral history from community to court and offers a sophisticated critique of the Crown's use of Aboriginal materials in key cases A bold intervention in legal and anthropological scholarship this book is a timely consideration of an urgent issue facing Indigenous communities worldwide and the courts hearing their cases *Rethinking Oral History and Tradition* Nepia Mahuika, 2019-10-09 Indigenous peoples have our own ways of defining oral history For many oral sources are shaped and disseminated in multiple forms that are more culturally textured than just standard interview recordings For others indigenous oral histories are not merely fanciful or puerile myths or traditions but are viable and valid historical accounts that are crucial to native identities and the relationships between individual and collective narratives This book challenges popular definitions of oral history that have displaced and confined indigenous oral accounts as merely oral tradition It stands alongside other marginalized community voices that highlight the importance of feminist Black and gay oral history perspectives and is the first text dedicated to a specific indigenous articulation of the field Drawing on a Maori indigenous case study set in Aotearoa New Zealand this book advocates a rethinking of the discipline encouraging a broader conception of the way we do oral history how we might define its form and how its politics might move beyond a subsuming democratization to include nuanced decolonial possibilities **Indigeneity and Legal Pluralism in India** Pooja Parmar, 2015-07-20 As calls for reparations to indigenous peoples grow on every continent issues around resource extraction and dispossession raise complex legal questions What do these disputes mean to those affected How do the narratives of indigenous people legal professionals and the media intersect In this richly layered and nuanced account Pooja Parmar focuses on indigeneity in the widely publicized controversy over a Coca Cola bottling facility in Kerala India Juxtaposing popular legal and Adivasi narratives Parmar examines how meanings are gained and lost through translation of complex claims into the languages of social movements and formal legal systems Included are perspectives of the diverse range of actors involved based on interviews with members of Adivasi communities social activists bureaucrats politicians lawyers and judges Presented in clear accessible prose Parmar's account of translation enriches debates in the fields of legal pluralism indigeneity and development **Solemn Words and Foundational Documents** Jean-Pierre Morin, 2018-01-01 In *Solemn Words and Foundational Documents* Jean Pierre Morin unpacks the complicated history of Indigenous treaties in Canada By

including the full text of eight significant treaties from across the country each accompanied by a cast of characters related sources discussion questions and an essay by the author he teaches readers how to analyze and understand treaties as living documents The book begins by examining treaties concluded during the height of colonial competition when France and Britain each sought to solidify their alliances with Indigenous peoples It then goes on to tell the stories of treaty negotiations from across the country the miscommunication of ideas and words from Crown representatives to treaty text the varying ranges of rights and promises treaty negotiations for which we have a rich oral history but limited written records multiple phases of post Confederation treaty making and the unique case of competing treaties with radically different interpretations

The Milošević Trial Timothy William Waters, 2015 The international trial of Slobodan Milosevic who presided over the violent collapse of Yugoslavia was already among the longest war crimes trials when Milosevic died in 2006 Yet precisely because it ended without judgment its significance and legacy are specially contested The contributors to this volume including trial participants area specialists and international law scholars bring a variety of perspectives as they examine the meaning of the trial s termination and its implications for post conflict justice The book s approach is intensively cross disciplinary weighing the implications for law politics and society that modern war crimes trials create

Teaching Jewish History Julia Phillips Berger, 2006 Inform your students lives with the richness of thousands of years of Jewish history culture and tradition Teaching Jewish History tackles separately each of the key Jewish historical periods Biblical Rabbinic Medieval Early Modern Enlightenment and Modern as well as the North American Jewish experience The authors shift focus away from rote memorization of dates names and places and instead examine each period through the lens of core historical concepts the Diaspora Covenant acculturation assimilation and building community History comes to life helping students whether elementary middle or high school or adult develop a stronger Jewish identity Teaching Jewish History gives teachers the tools to Understand and explain the meaning of key concepts terms names places and events in each period of history Identify and examine primary source documents and objects such as artifacts diaries sacred texts photographs and artwork Conduct meaningful discussions of how the core concepts of Jewish history recur in and are relevant to each historical period Develop a variety of activities including field trips mock trials oral histories and role playing activities Place historical events on a timeline Use additional historical and educational resources such as books articles videos and Internet sites Teaching Jewish History is an invaluable resource for the novice and the expert teacher of religious and day school children and for educators working with adults in synagogues community centers and family education programs

Beyond Our Wildest Dreams Ineke van Kessel, 2000 The 1980s in South Africa were marked by protest violent confrontation and international sanctions Internally the country saw a bewildering growth of grassroots organizations including trade unions civic associations in the black townships student and other youth organizations church based groups and women s movements many of which operated under the umbrella of the United Democratic Front UDF Beyond Our Wildest Dreams explores the

often conflicted relationship between the UDF's large scale resistance to apartheid and its everyday struggles at the local level. In hindsight the UDF can be seen as a transitional front preparing the ground for leaders of the liberation movement to return from exile or prison and take over power. But the founding fathers of the UDF initially had far more modest ambitions. Interviews with Cachalia and other leading personalities in the UDF examine the organization's workings at the national level while stories of ordinary people collected by the author illuminate the grassroots activism so important to the UDF's success. Even in South Africa writes Ineke van Kessel who covered the anti apartheid movement as a journalist resistance was not the obvious option for ordinary citizens. Van Kessel shows how these people were mobilized into forming a radical social movement that developed a highly flexible and innovative form of resistance that ultimately ended apartheid. The Infamous Dakota War Trials of 1862 John A. Haymond, 2016-05-19 The U S Dakota War the bloodiest Indian war of the 19th century erupted in southwestern Minnesota during the summer of 1862. In the war's aftermath a hastily convened commission of five army officers conducted trials of 391 Indians charged with murder and massacre. In 36 days 303 Dakota men were sentenced to death. In the largest simultaneous execution in American history 38 were hanged on a single gallows on December 26 1862 an incident now widely considered an act of revenge rather than judicial punishment. Providing fresh insight into this controversial event this book examines the Dakota War trials from the perspective of 19th century military law. The author discusses the causes and far reaching consequences of the war the claims of widespread atrocities the modern debate over the role of culture in lawful warfare and how the war has been depicted by historians.

The Color of Law Steve Babson, Dave Riddle, 2010 Biography of Ernie Goodman a Detroit lawyer and political activist who played a key role in social justice cases. In a working life that spanned half a century Ernie Goodman was one of the nation's preeminent defense attorneys for workers and the militant poor. His remarkable career put him at the center of the struggle for social justice in the twentieth century from the sit down strikes of the 1930s to the Red Scare of the 1950s to the freedom struggles anti war demonstrations and ghetto rebellions of the 1960s and 1970s. *The Color of Law: Ernie Goodman, Detroit and the Struggle for Labor and Civil Rights* traces Goodman's journey through these tumultuous events and highlights the many moments when changing perceptions of social justice clashed with legal precedent. Authors Steve Babson, Dave Riddle and David Elsilá tell Goodman's life story beginning with his formative years as the son of immigrant parents in Detroit's Jewish ghetto to his early ambitions as a corporate lawyer and his conversion to socialism and labor law during the Great Depression. From Detroit to Mississippi Goodman saw police and other officials giving the color of law to actions that stifled freedom of speech.

and nullified the rights of workers and minorities The authors highlight Goodman s landmark cases in defense of labor and civil rights and examine the complex relationships he developed along the way with individuals like Supreme Court Justice and former Michigan governor Frank Murphy UAW president Walter Reuther Detroit mayor Coleman Young and congressman George Crockett Drawing from a rich collection of letters oral histories court records and press accounts the authors re create the compelling story of Goodman s life The Color of Law demonstrates that the abuse of power is non partisan and that individuals who oppose injustice can change the course of events The Trials of Richard Goldstone Daniel Terris,2018-12-10 Richard Goldstone emerged as a leading champion of human rights first as a judge taking on the apartheid system in his native South Africa then investigating war crimes in Rwanda the former Yugoslavia and Gaza This new biography tells the story of a remarkable individual and the price he paid for his convictions **Telling it to the Judge** Arthur J. Ray,2011 In 1973 the Supreme Court s historic Calder decision on the Nisga a community s title suit in British Columbia launched the Native rights litigation era in Canada Legal claims have raised questions with significant historical implications such as What treaty rights have survived in various parts of Canada What is the scope of Aboriginal title Who are the M tis where do they live and what is the nature of their culture and their rights Arthur Ray s extensive knowledge in the history of the fur trade and Native economic history brought him into the courts as an expert witness in the mid 1980s For over twenty five years he has been a part of landmark litigation concerning treaty rights Aboriginal title and M tis rights In Telling It to the Judge Ray recalls lengthy courtroom battles over lines of evidence historical interpretation and philosophies of history reflecting on the problems inherent in teaching history in the adversarial courtroom setting Told with charm and based on extensive experience Telling It to the Judge is a unique narrative of courtroom strategy in the effort to obtain constitutional recognition of Aboriginal and treaty rights **San Francisco's Queen of Vice** Lisa Riffin,2017-10-01 Lisa Riffin tells the story of the rise and fall of 1940s San Francisco abortionist Inez Brown Burns who made a fortune by providing her services to desperate women throughout California before the city s newly elected district attorney Edmund G Pat Brown exposed the hidden yet not so secret life of backroom deals political payoffs and corrupt city cops

Comparative Law and Anthropology James A.R. Nafziger,2017-12-29 The topical chapters in this cutting edge collection at the intersection of comparative law and anthropology explore the mutually enriching insights and outlooks of the two fields Comparative Law and Anthropology adopts a foundational approach to social and cultural issues and their resolution rather than relying on unified paradigms of research or unified objects of study Taken together the contributions extend long developing trends from legal anthropology to an anthropology of law and from externally imposed to internally generated interpretations of norms and processes of legal significance within particular cultures The book s expansive conceptualization of comparative law encompasses not only its traditional geographical orientation but also historical and jurisprudential dimensions It is also noteworthy in blending the expertise of long established acclaimed scholars with new

voices from a range of disciplines and backgrounds *South Carolina at the Brink* Philip G. Grose, 2006 As the Democratic governor of South Carolina during the height of the civil rights movement Robert E McNair faced the task of leading the state through the dismantling of its pervasive Jim Crow culture Despite the obstacles McNair was able to navigate a moderate course away from a past dominated by an old guard oligarchy toward a more pragmatic inclusive and prosperous era *South Carolina at the Brink* is the first biography of this remarkable statesman as well as a history of the tumultuous times in which he governed In telling McNair's story Philip G Grose recounts historic moments of epic turbulence chronicles the development of the man himself and maps the course of action that defined his leadership A native of Berkeley County's Hell Hole Swamp McNair was a decorated naval commander in the Philippines during World War II then a small town attorney a state legislator and lieutenant governor before serving in the state's highest office from 1965-1971 Each role taught him the value of tolerance and perseverance and informed the choices he made at the helm of state government violence and conflict that marked the onset of desegregation and of protest against the war in Vietnam the tragic shootings in Orangeburg in February 1968 the 113 day strike at the Medical College in Charleston in 1969 violence at high schools in Columbia and Lamar in 1970 and antiwar protests on the University of South Carolina campus in 1970 These events remain the most vivid memories of the period but McNair's lasting legacy is his remarkable ability to affect peaceful solutions and ultimately compliance with federal court rulings Grose contends that it was McNair's decisive actions and reactions to crises that steered South Carolina clear of the larger tragedies of neighbouring states during this period and allowed the governor to achieve much improvement to the condition of the state's education system and economy Grose's narrative draws from an extensive oral history project on the McNair administration conducted by the University of South Carolina and the South Carolina Department of Archives and History as well as recent interviews with key participants *The Holocaust and Soviet War Crimes Trials in the Cold War Context* Gintarė Malinauskaitė, 2024-02-23 This volume aims to offer a fresh perspective towards the evaluation of Soviet war crimes trials of Holocaust perpetrators their representation through various means of media and their reception in the context of the Cold War By examining the 1964 Klaipėda war crimes trial in Soviet Lithuania through a microhistorical perspective the book explores the history of the second wave of Soviet justice in the 1960s It attempts to offer insight not only into how this Soviet war crimes trial was initiated and investigated but also into how it was presented in the courtroom and channeled through the media for publicity The book argues that the war crimes trials conducted by the Soviet Lithuanian judiciary can be on one hand perceived as an intrinsic element of Soviet ideological propaganda and on the other viewed as an alternative space for disclosing memories of the mass murder of Jews offering an opposing perspective to the official Soviet politics of memory Intended for both an academic audience and the general public this volume unveils an intertwined compilation of Soviet legal history politics of retribution memory and media during the Thaw period *Saskatchewan Law Review*, 1999 **No Place for Fairness** David McNab, 2009-10 Examining the Bear
