

Number Writing Poems!

Come right down and then you're done.
That's the way to make a one!

Around and back on the railroad track.
Two! Two! Two!

Around the tree, around the tree.
That's the way to make a three!

Down, over, down some more.
That's the way to make a four!

Put on a hat. Then take a dive.
Make a round belly. Now that's a five!

Make a hoop and then a loop!
Six!

Across the sky and down from heaven.
That's the way to make a seven!

Make an 'S' and close the gate.
That's the way to make an eight!

Make a circle and then a line.
That's the way to make a nine!
