Organizational Physics The Science Of Growing A Business:

Organizational Physics - The Science of Growing a Business Lex Sisney, 2013-03-01 There are hidden laws at work in every aspect of your business Understand them and you can create extraordinary growth Ignore them and you run the risk of becoming another statistic It s become almost cliché 8 out of every 10 new ventures fail Of the ones that succeed how many truly thrive for the long run And of those that thrive how many continually overcome their growth hurdles and ultimately scale with meaning purpose and profitability The answer sadly is not many Author Lex Sisney is on a mission to change that picture After more than a decade spent leading and coaching high growth technology companies Lex discovered that the companies that thrive do so in accordance with 6 Laws universal principles that govern the success or failure of every individual team and organization

All the Brains in the Business Kate Lanz, Paul Brown, 2019-11-02 The power of gender difference not gender equality is a secret source for success Some smart businesses are starting to wake up to this fact This book explores why and how Properly valuing brain gender diversity in the workplace is one of the biggest and largely untapped sources of competitive advantage for modern businesses Recent advances in neuroscience provide the key to unlocking it Modern research shows that there are gender based differences in the brain it s just not as simple as a binary between a male brain and female brain In fact our brains are like a mosaic where many of the tiles are available in thousands of shades on a spectrum between pink and blue The problem is that our workplaces tend to be governed by structures processes and cultures that are practically pure blue All the brains in the business that are elsewhere on the spectrum cannot thrive as they might so sources of productivity creativity and agility go untapped Anyone who manages people needs to understand how the brain works and the impact it has on how people work together as teams Anyone who wants to unlock the talent and productivity of all of their people needs to understand how recent findings around male and female type brains should shape the way they manage Leading applied neuroscientists and international corporate coaches Kate Lanz and Paul Brown show you why and how to access all the brains in your business
