Homeschooling and Libraries Vera Gubnitskaia, Carol Smallwood, 2020-04-20 As families are looking for better ways to educate their children more and more of them are becoming interested and engaged in alternative ways of schooling that are different separate or opposite of the traditional classroom Homeschooling has become ever more creative and varied as families create custom tailored curricula assignments goals and strategies that are best for each unique child This presents a multitude of challenges and opportunities for information institutions including public academic school and special libraries The need for librarians to help homeschool families become information and media literate is more important than ever This collection of essays provides a range of approaches and strategies suggested by skilled professionals as well as veteran homeschool parents on how to best serve the diverse needs and learning experiences of homeschooled youth It includes information on needs assessments for special needs students gifted students and African American students advice on how to provide support for the families of homeschoolers case studies and information on new technologies that could benefit libraries and the homeschooler populations that they serve

Medical Brief, 1890 *Sold Separately* Ellen Seiter, 1993 A radical approach to children's TV Seiter argues cogently that watching Saturday cartoons isn't a passive activity but a tool by which even the very young decode and learn about their culture and develop creative imagination as well Bolstered by social political developmental and media research Seiter ties middle class aversion to children's TV and mass market toys to an association with the uncontrollable consumerism and hence supposed moral failure of working class members women and increasingly children Positive guidance for parents uncertain of the role of TV and TV toys in their children's lives Kirkus Reviews *Sold Separately* is about television and toys and the various roles that they play in the lives of

children and parents In particular Seiter examines toy advertising both in print media and on television TV commercials toy based video for girls with an in depth look at My Little Pony action TV for boys using Slimer and the Real Ghostbusters as her case study and the stores where toys are sold both Toys R Us and the more upscale shops contains many provocative observations Women s Review of Books Ellen Seiter has a holiday message for yuppie parents who feel guilty shopping at Toys R Us The mass produced toys that dominate the chain s shelves need not be the enemy of every right thinking parent Ghostbuster figurines and My Little Pony can share the toy chest with those sensible wooden blocks Chronicle of Higher Education Emphasizing problems of socioeconomic class gender and race stereotyping this study acknowledges the usual parental complaints about toys like Barbie and G I Joe but insists that they do play an important role in children s culture especially for working class families A thought provoking analysis Wilson Library Journal In this thought provoking study Seiter reasonably urges parents and others to put aside their own tastes and to understand that children s consumer culture promotes solidarity and sociability among youngsters Publishers Weekly An important book for those desiring an overview of the toy industry s impact on consumer culture it presents a fair and well balanced view of the industry Kathleen M Carson associate editor Playthings A refreshing thoughtful and insightful investigation of an enormously important subject consumer culture for kids I can t recommend it highly enough Janice Radway Duke University author of Reading the Romance
