Smart Homes and Their Users Tom Hargreaves, Charlie Wilson, 2017-09-25 Smart home technologies promise to transform domestic comfort convenience security and leisure while also reducing energy use But delivering on these potentially conflicting promises depends on how they are adopted and used in homes This book starts by developing a new analytical framework for

understanding smart homes and their users Drawing on a range of new empirical research combining both qualitative and quantitative data the book then explores how smart home technologies are perceived by potential users how they can be used to link domestic energy use to common daily activities how they may or may not be integrated into everyday life by actual users and how they serve to change the nature of control within households and the home The book concludes by synthesising a range of evidence based insights and posing a series of challenges for industry policy and research that need addressing if a smart home future is to be realised Researchers will find this book provides useful insights into this fast growing field

Zestimating Our Future: Zillow and Its Plans for Realtors Keith Leonard Porter, 2024-06-26 75% of Zillow's income comes from agents in one form or another Whether that is from leads upfront or from referral fees at closing depends on the market This thought should give agents the feeling that Zillow needs us The truth is Zillow does not need us Not all of us at least If you are an agent who is not involved with Zillow and not paying them in any way they have no need for you In fact they are currently making moves to replace you In this book I will show you beyond any doubt that Zillow is no longer just a media company They are a competing brokerage One that has aims to be at the center of every real estate transaction with or without you

International Comparison of Pension Systems Hongmu Lee, Gianni Nicolini, Man Cho, 2022-11-30 This book is about retirement income security This income security is provided by national public pensions corporate pensions and individual and reverse mortgages However these systems vary greatly from country to country and in many

countries do not provide sufficient coverage Ensuring income security in old age is an important issue that must be resolved in the rapidly aging environment of the world From the perspective of financial consumers this book cross sectionally surveys public pensions corporate pensions individual pensions and reverse mortgages and compares them among many important nations This gives many implications from the perspective of designing an overall income security for each individual In addition it presents many of the issues needed for these sustainable and comprehensive income security **Buy Now** Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy *Information in Contemporary Society* Natalie Greene Taylor,Caitlin Christian-Lamb,Michelle H.
