Internet Memes and Copyright Law Brian Chun Lok Leung, 2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union s Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright s core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright s foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law **The Whisper Way** Carrie Kerpen, 2025-05-06

The Whisper Way is a game changing guide for women to turn their lifestyle businesses into sellable life changing assets closing the exit gap and ensuring they earn as as much as their male

counterparts if not more Provided by publisher **Routledge Handbook on Global China** Maximilian Mayer,Emilian Kavalski,Marina Rudyak,Xin Zhang,2024-10-22 This innovative Routledge Handbook sheds light on the complex and transformative nature of Global China prompting a re evaluation of existing theories on global and regional dynamics It encourages theoretical innovation methodological reflection and analytical transformation providing new avenues for critical engagement with China s global interactions The chapters propose three key commitments for the study of Global China Advocating for diverse viewpoints and non binary frameworks employing nuanced analysis to understand Beijing s transnational relations and utilizing alternative methodological approaches to explore different trajectories for China in international affairs The Handbook also identifies and avoids epistemic traps that hinder the understanding of Global China such as othering and strategic narcissism It suggests five analytical frameworks related to relationality global capitalist processes language and discourse power planetary scale modernization and experimentalism to guide future research By adopting these frameworks researchers can gain a deeper understanding of the multifaceted factors shaping Global China within the broader global context of cooperation competition and crisis Introduction Chapter 21 and Epilogue of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Gilded Rage** Jacob Silverman,2025-10-09 What happens if the world s richest and most powerful men decide to dismantle democracy This is the story of the radicalization of Silicon Valley from Elon Musk to Peter Thiel David Sacks and Donald Trump and how it will affect the future of all our lives In *Gilded Rage* New York Times bestselling author Jacob Silverman takes us inside the surreal high stakes world of Silicon Valley This is the story of the political awakening and radicalization of a cabal of tech billionaires and their descent into ideological extremism Flush with cash from the zero interest era addicted to their own mythology these men have begun reshaping the world in their image and it should terrify us all At the center is Elon Musk the mogul whose obsession with the woke mind virus has turned him from a tech innovator to an ideological crusader But Musk is just the beginning Silverman maps a sprawling network of radicalized elites from Peter Thiel and JD Vance to the financiers bankrolling Donald Trump s return who are using their platforms and their money to ensure a political revolution that s already underway This is not just a book about tech It s about power We meet the billionaires funding life extension labs and embracing apocalyptic visions of AI We examine the populist rhetoric that is leading to the ruthless dismantling of democratic norms And we enter the strange darkly comic world of the tech oligarchy where libertarian dreams meet authoritarian impulses and where the people with the most influence over our lives are the least accountable Silverman travels from San Francisco to Miami New York to DC following a movement that s rewriting the rules and oftentimes fighting a war against reality itself With sharp reporting and a cast of extraordinary characters *Gilded Rage* is a gripping essential dispatch from the front lines of the billionaire revolution If you want to understand who is trying to control the future and why then this is the book you need to read

The Presidency of Donald J. Trump Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump's four turbulent years in the White House The Presidency of Donald J. Trump presents a first draft of history by offering needed perspective on one of the nation's most divisive presidencies Acclaimed political historian Julian Zelizer brings together many of today's top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency When Trump took office in 2017 he quickly carved out a loyal base within an increasingly radicalized Republican Party dominated the news cycle with an endless stream of controversies and presided over one of the most contentious one term presidencies in American history These essays cover the crucial aspects of Trump's time in office including his administration's close relationship with conservative media his war on feminism the solidification of a conservative women's movement his response to COVID-19 the border wall growing tensions with China and NATO allies white nationalism in an era of Black Lives Matter and how the high tech sector flourished The Presidency of Donald J. Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long term trends in Republican politics and American polarization more broadly With contributions by Kathleen Belew Angus Burgin Geraldo Cadava Merlin Chowkwanyun Bathsheba Demuth Gregory Downs Jeffrey Engel Beverly Gage Nicole Hemmer Michael Kazin Daniel C. Kurtzer James Mann Mae Ngai Margaret O'Mara Jason Scott Smith Keeanga-Yamahtta Taylor and Leandra Zarnow

Routledge Handbook on China-Middle East Relations Jonathan Fulton, 2021-12-27 This handbook brings together a mix of established and emerging international scholars to provide valuable analytical insights into how China's growing Middle East presence affects intra regional development trade security and diplomacy As the largest extra regional economic actor in the Middle East China is the biggest source of foreign direct investment into the region and the largest trading partner for most Middle Eastern states This portends a larger role in political and security affairs as the value of Chinese assets combined with a growing expatriate population in the region demands a more proactive role in contributing to regional order Exploring the effect of these developments the expert contributors also consider the reverberations in great power politics as the United States Russia India Japan and the European Union also have considerable interests in the region The book is divided into four sections Historical and policy context State and regional case studies Trade and development International relations security and diplomacy This volume is an essential reference for scholars and policy makers in the fields of international relations political sociology international political economy and foreign policy analysis Area studies specialists in Middle Eastern Studies China Studies and East Asian Studies will also find it an invaluable resource

Theological Discourses on Social Media Christopher B. Barnett, Clark J. Elliston, Trevor B. Williams, 2025-08-29 Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology On the whole the volume will focus on the Judeo-Christian tradition though dialogue with and

insight from other religious traditions will also be featured The upshot will be a unique theological engagement with the defining issue of our era a work that will be as relevant as it will be engrossing Featuring contributions from leading scholars it will be a must read for all students of theology religion and media and cultural studies **Configured by Consumption** Kam, Booi H.,Rimmer, Peter J.,2022-05-06 This ground breaking Research Handbook provides a state of the art discussion of the international law of Indigenous rights and how it has developed in recent decades Drawing from their extensive knowledge of the topic leading scholars provide strong general coverage and highlight the challenges and cutting edge issues arising in international Indigenous rights law **Proceedings of the International Conference on Business, Economics, Social Sciences, and Humanities - Economics, Business and Management Track (ICOBEST-EBM 2024)** Lia Warlina,Senny Luckyardi,2024-07-26 This is an open access book The International Conference on Business Economics Social Sciences and Humanities ICOBEST is hosted annually by Universitas Komputer Indonesia UNIKOM ICOBEST aims to facilitate the exchange of knowledge and experiences among academia researchers and scholars fostering optimism and revitalization within the scientific framework ICOBEST provides a unique opportunity for participants to network share ideas and present their research findings to an international audience Encouraging discussions on the latest innovations emerging trends and practical challenges in business economics social sciences and humanities This year UNIKOM will held the conference in hybrid format which means interested authors can participate in this conference either in person or through online means Modern Political Campaigns Michael D. Cohen,2025-04-15 Dr Michael D Cohen a 30 year veteran of working on teaching and writing about political campaigns shows readers how campaigns are organized explains state of the art tools of the trade and reveals how some of the most interesting people in politics got their big breaks He combines academic insights and practical advice that will be of interest to practitioners and students considering careers in politics and people interested in how elections are won The second edition updated to include a new chapter on how campaigns are using artificial intelligence and what that means for democracy has been completely revised throughout to provide readers with an up to date understanding of how candidates succeed *Westlessness* Samir Puri,2024-07-25 The must read book to help you make sense of the world perfect for fans of Prisoners of Geography How the World Made the West and Empireland Well informed and very valuable International Affairs Donald Trump has been re elected The Russian Ukraine war has entered its fourth year China s economy is slowing down Far right parties and politicians are surging in popularity across Europe *Westlessness* by former UK diplomat Dr Samir Puri is here to help make sense of these continual seismic shifts to the world order In this book he vividly demonstrates how in demographic economic military and cultural terms we are hurtling into a far more diverse global future Many of our certainties about the present built on centuries of massive Western global impact are increasingly fragile Untold wealth is moving from the West to the East as nations like India and Indonesia are set to reach new heights of growth and confidence And China continues its ascent to the peak of the

economic mountain but are cracks appearing And will the Western world under the aegis of US global military economic technological and cultural power give up its privileged position willingly Nothing is linear and nothing is predictable Are we prepared personally and professionally for a far more diverse global future Prepared or unprepared Westlessness is our guide to a new world order What readers think Insightful and thought provoking Highly recommended Loved this book a real insight into how the world is changing and gives an interesting glimpse into the future A great read and would definitely recommend A fascinating book written empathetically that deals with the shifting nature of power imbalances in the world until now full of sober projections into the future Westlessness does not take sides is not alarmist and is not emotional in any way yet it deals with the complexity of feelings aroused over issues of identity both Western and otherwise and colonial legacy A must read to understand the often bewildering world we now live in written as a scholarly book in an accessible tone
