Social Media Cultures Dhiraj Murthy, 2024-12-15 In *Social Media Cultures* Dhiraj Murthy provides a theoretically grounded historical exploration of the social media landscape. Uniquely tracing the evolution of social media from traditional media like letters, postcards, and the telephone to new media and platforms, Murthy argues that these contemporary phenomena are not divorced from their analog antecedents. The historical and theoretical frameworks employed in this book allow readers to better understand the intricacies of nuanced modern dynamics like cancel culture, self-expression, and celebrity influence. Focusing on mobility, political discourse, and the power of witnessing from global perspectives, Murthy uses empirical case studies from both the Global South and North to demonstrate the profound impact of social media on culture, politics, and everyday life. Ultimately, Murthy encourages readers to reflect on their roles within the broader social media ecosystem and to consider the far-reaching consequences of social media engagement on a global scale. Scholars of communication, media studies, social media, and sociology will find this book of particular interest.

A Laugh Riot Kumander Sator, 2024-11-19 *A Laugh Riot: Unmasking Society and Politics* by William Uban is a sharp, hilarious, and unapologetic dive into the absurdities of modern life. Through a collection of witty stories and biting satire, Uban pulls back the curtain on society's quirks and political follies, exposing the ironies and contradictions that define our times. From the antics of clueless politicians to the hilariously relatable struggles of everyday people, this book serves as both a comic relief and a thought-provoking commentary on the world around us. Equal parts entertaining and insightful, it's a must-read for anyone who loves humor with a side of truth. Whether you're in need of a good laugh, a new perspective, or both, *A Laugh Riot* promises to deliver in ways that will leave you chuckling long after you've turned the last page. Prepare to laugh, think, and maybe even see the world a little differently.

Conspirituallity Derek Beres, Matthew Remski, Julian Walker, 2023-06-13 *Conspirituallity* takes a deep dive into the troubling phenomenon of influencers who have curdled New Age spirituality and wellness with the politics of paranoia, peddling vaccine misinformation, tales of child trafficking, and wild conspiracy theories. In the early days of the COVID-19 pandemic, a disturbing social media trend emerged: a large number of yoga instructors and alt health influencers were posting stories about a secretive global cabal bent on controlling the world's population with a genocidal vaccine. Instagram feeds that had been serving up green smoothie recipes and Mary Oliver poems became firehoses of Fox News links, memes from 4chan, and prophecies of global transformation. Since May 2020, Derek Beres, Matthew Remski, and Julian Walker have used their *Conspirituallity* podcast to expose countless facets of the intersection of alt health practitioners with far-right conspiracy trolls. Now, this expansive and revelatory book unpacks the follies, frauds, cons, and cults that dominate the New Age and wellness spheres and betray the trust of people who seek genuine relief in this uncertain age. With analytical rigor and irreverent humor, *Conspirituallity* offers an antidote to our times, helping readers recognize wellness grifts, engage with loved ones who've fallen under the influence, and counter lies and distortions with insight and empathy.
