Firing at Will Jay Shepherd,2012-01-19 Firing at Will shows managers and employers how to do the most difficult part of their jobs firing employees Written by a leading employment lawyer in a refreshingly unlawyerly style this guide takes the reader through the always risky process of letting an employee go Many employers and managers are afraid to pull the trigger when the employment relationship has broken down and will postpone the decision by using progressive discipline and performance improvement plans However an employer must be able to unload employees who threaten to undermine the company and its prospects regardless of the risks involved in a termination This book explains how to do it how not to do it and how to minimize the danger of an expensive employee lawsuit No one said being an employer or a manager was easy Fortunately knowing how to fire employees will make your job much much easier in the long run and save you heartache Firing at Will teaches you what you need to know without any legalese or boring recitations of statutes and case law This book is filled with plain English common sense based on Jay Shepherd s 17 years of protecting employers in court The style is conversational and often irreverent but the lessons and tips are battle tested If you want to be a successful manager or employer and sleep easier you need to know how to fire at will Gives employers and managers real world advice on how to fire employees Teaches how to keep your company and yourself out of expensive employee lawsuits Guides you toward building a workplace where you ll need to fire fewer employees **Customer Service Management in Africa** Robert Hinson,Ogechi Adeola,Terri Lituchy,Abednego Amartei,2020-05-07 Customer Service Management in Africa A Strategic and Operational Perspective 978 0 367 14337 4 K410515 Customer Service is Changing The message of 34 authors featured in Customer Service Management in Africa A Strategic and Operational Perspective is clear Today s consumers are no longer passive audiences but active players that engage with businesses at each stage of product or service design and delivery

systems Consumer demands and expectations are also increasingly being dictated by changing personal preferences enhanced access to information and expanding digital reality The customer service principles strategic and operational advocated by these authors are universal but particularly compelling as they apply to Africa s unique and dynamic operating environment In recognition of the importance of excellent customer service this comprehensive and well timed book provides an essential guide on the increasing role of the customer to business success This book discusses the management and delivery of customer service under seven broad themes Customer Service as Shared Value Customer Service Strategy Customer Service Systems Customer Service Style Customer Service Culture Customer Service Skills and Customer Experience Advancing Customer Service in Africa Central questions posed and addressed include What is the new definition of customer service management How should organisations position themselves to create value for customers and stakeholders How should employees project themselves to align with customer service promises made by their organisations Overall this book provides strategic and operational insights into effective customer service management in Africa The customer service management concepts roles and practices outlined particularly as they apply to the African context make it an important addition to scholars or practitioners reference works **You've Been Played** Adrian Hon,2022-09-15 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In You ve Been Played game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties You ve Been Played is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy Disruptive Leadership Rich Kao,2018-01-02 Disruptive leadership is a topic generating intense interest Companies all over the world are trying to upend their industry through innovative products and services Becoming a disruptive organization however is easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model By turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine keys are identified along this path for how companies can realize organizational excellence While care may seem like a soft concept in the rough and tumble world of business it is argued how it is actually an inspired manner for providing direction structure and know how that leads to powerful outcomes Apple is profiled as a leading example of leveraging what is termed

the technology of caring deeply Other companies such as Nike IKEA Zappos Starbucks are also profiled Finally a leadership canvas is provided to help activate the lessons shared in the book **InfoWorld** ,1997-01-27 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects
