MLB Playoffs Compare:

The Games That Changed Baseball John G. Robertson, Andy Saunders, 2016-06-28 The national pastime's rich history and vast cache of statistics have provided fans and researchers a gold mine of narrative and data since the late 19th century. Many books have been written about Major League Baseball's most famous games. This one takes a different approach focusing on MLB's most historically significant games. Some will be familiar to baseball scholars such as the October afternoon in 1961 when Roger Maris eclipsed Babe Ruth's single season home run record or the compelling sixth game of the 1975 World Series. Other fascinating games are less well known: the day at the Polo Grounds in 1921 when a fan named Reuben Berman filed a lawsuit against the New York Giants winning fans the right to keep balls hit into the stands; the first televised broadcast of an MLB game in 1939; opening night of the Houston Astrodome in 1965 when spectators no longer had to be taken out to the ballgame; or the spectator-less April 2015 Orioles-White Sox game played in an empty stadium in the wake of the Baltimore riots. Each game is listed in chronological order with detailed historical background and a box score.

Major League Baseball Organizations Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment. The book discusses historical and financial information about the 30 major league franchises. Each chapter contains two core themes: Team Performances and Franchise Business. The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue gate receipts and operating income and describes interesting business topics. Each chapter also provides an overview of when each franchise organized and why it joined MLB; a brief profile of its current majority owner or ownership group; records of teams' special coaches and players' attendances at home games; and how their ballparks rank as a venue for fans. Baseball Business explains why particular teams located in large, mid-sized or small markets win more games and titles than others and when and how frequently that occurs. Furthermore, it provides ways to compare franchises' financial success individually by division and by league. By linking and comparing the historical performances of MLB teams to financial information about them as business organizations, this book offers a unique contribution to the literature on the sports industry.

International Sports Economics Comparisons Rodney D. Fort, John L. Fizek, 2004-03-30 This book brings together for the first time under a single cover international comparisons of the major topics in sports economics. Contributors are all renowned scholars of the international sports scene in Australia, New Zealand, Brazil, the Pacific Rim, North America and Europe. The reader will find an overview of sports in particular countries and regions along with comparisons along the major topics of economic importance. In particular, the contributions compare and contrast revenues and costs, labor, markets, restrictions and discrimination, market structures, league and association organizations and outcomes.

team profitability and competitive balance and policy issues especially competition policy Aimed primarily at sports scholars practicing sports professionals and policymakers the volume is also well suited for undergraduate sports economics sports management and sports law courses **The Negro League Vs. Major League Baseball** MICHAEL

MARGOLIS,2024-12-25 There was a whole baseball world before Jackie Robinson stepped into it one many people didn't see That was the Negro Leagues Unmatched in talent these players were on the same level if not better than Major League Baseball's best In The Negro League vs Major League Baseball Michael Margolis delves into the inspiring tales of the greatest stars from both leagues This book captures icons like Satchel Paige Josh Gibson and Cool Papa Bell alongside Babe Ruth Ty Cobb and Walter Johnson Were the Negro League legends as good Ten in depth player comparisons by Margolis drill this point home skill persistence and love for the game Give new life to players who soared against segregation and adversity Negro League Vs Major League Baseball A tribute to the talent that forever changed America's favorite pastime Dodgers vs. Yankees Michael Schiavone,2020-06-30 A History of the Epic Rivalry between Two of Baseball's Powerhouses that Has Spanned Over Eighty Years from Ebbets Field to Dodger Stadium from Babe Ruth to Reggie Jackson The Los Angeles Dodgers and New York Yankees are two of the most storied and popular teams in not only baseball but all of sports Their rivalry began in New York and continued with the Dodgers leaving Brooklyn and moving to sunny California The two teams have even met in the World Series a record eleven times For a long time the Dodgers Yankees rivalry was the marquee match up in baseball For as good as the Dodgers were the Yankees were almost always better But why were the Yankees so much better than the Dodgers Were the Dodgers chokers when it mattered most Or was it simply the case that the baseball gods favored the team that would be later known to its detractors as the Evil Empire over the boys in blue From Don Larsen's perfect game in the 1956 World Series Jackie Robinson's famous steal of home in the 1955 Series or Reggie Jackson's three home run game in the 1977 Series Dodgers vs Yankees provides a history of this rivalry from their first World Series match up in 1941 until the present day Every game between the two teams including inter league play is covered as author Michael Schiavone attempts to answer why the Yankees have reigned supreme over the Dodgers Whether you're a fan of the Yankees or Dodgers both on the East and West Coast Dodgers vs Yankees offers the most complete overview and analysis of these team's timeless rivalry Statistical Thinking in Sports Jim Albert,Ruud H. Koning,2007-07-12 Since the first athletic events found a fan base sports and statistics have always maintained a tight and at times mythical relationship As a way to relay the telling of a game's drama and attest to the prodigious powers of the heroes involved those reporting on the games tallied up the numbers that they believe best described the action and best *The Real Madrid Way* Steven G. Mandis,2016-10-11 The untold story of Real Madrid one of the most incredible turnarounds in sports and business history Real Madrid is the most successful sports team on the planet The soccer club has more trophies than any other sports team including 11 UEFA Champions League trophies However the story behind the triumph goes beyond the players and coaches Generally unnoticed

a management team consisting mostly of outsiders took the team from near bankruptcy to the most valuable sports organization in the world How did Real Madrid achieve such extraordinary success Columbia Business School adjunct professor Steven G Mandis investigates Given unprecedented behind the scenes access Mandis is the first researcher to rigorously analyze both the on the field and business aspects of a sports team What he learns is completely unexpected and challenges the conventional wisdom that moneyball fueled data analytics are the primary instruments of success Instead Real Madrid's winning formula both on and off the field from player selection to financial management is based on aligning strategy with the culture and values of its fan base Chasing the most talented and most expensive players can be a recipe for a winning record but also financial disaster as it was for Real Madrid in the late 1990s Real Madrid's management believes that the club exists to serve the Real Madrid community They discovered that its fans care more about why the team exists how their club wins and whom it wins with versus just winning The why how and whom create a community brand and identity and inspire extraordinary passion and loyalty which has led to amazing marketing and commercial success in turn attracting and paying for the best players in the world with the values the fans expect The club's values and culture also provide a powerful environment for these best players to work together to win trophies The Real Madrid Way explains how Real Madrid has created and maintains a culture that drives both financial and on the field success This book is an engrossing account of the lifetime of one of the greatest clubs in the most popular sport in the world and for business and organization leaders it's an invaluable inside look at a compelling alternative model with lasting competitive advantages that can deliver superior and sustainable returns and performance

Ego Vs. Soul in Sports Ken Reed, 2016-09-09

Imagine the world of sports without ego No more trash talking showboating cheating cheap shots or running up the score No more wackadoo parents and coaches ruining youth sports No more prima donna athletes with an inflated view of their own importance The win at all costs mentality Gone The me first athlete History Greedy owners that put their wallets ahead of what's best for the game Bye bye As John Lennon once sang Imagine Sports have always brought out the best and worst in people One of the compelling aspects of sports is that character is openly on display Problem is the ugly side of sports is getting way too loud these days The ego in sports has run amok And as the ego takes center stage win at all costs WAAC and profit at all costs PAAC mentalities and behaviors begin to dominate Things like sportsmanship start to take a backseat Nevertheless despite all the ego and greed based negativity in today's sports world there are still some pearls out there little stories in the back of the sports section that stir the soul While too many sports center headlines bring forth feelings of shame it's the snippets about obscure athletes that bless us with shining examples of the human spirit and give us reason for hope This is a book of short essays about sport at its best and sport at its worst Hopefully the book is somewhat entertaining and occasionally even enlightening Ultimately however the book's goal is to inspire those who love sports to find a way to make the sports world a better place to be And that means a place with a lot less ego and a lot more soul Because in the big

picture it really is about how you play the game Kraus' Recreation and Leisure in Modern Society Daniel McLean, Amy Hurd, 2011-02-09 Focusing on ten different types of organizations ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors this classic text is an invaluable resource for students considering a career in the recreation and leisure industry Razor Thin: The Difference Between Winning and Losing Luis Valdes, 2012-08-27 This book is about excellence Winners and champions are fascinating Whether you are an athlete a performance artist or an ambitious businessman this book is written for you It is about the hard work and tenacity involved in winning and achieving greatness Attaining success is difficult few are able to achieve it and fewer still are able to sustain it This book looks at the greatest athletes and teams of our time and identifies the critical factors in their success Many books discuss the personality factors involved in success this book identifies the specific behaviors that make a champion **Cinderella's Slipper** Mike Nemeth, 2009-09 The Bowl Champion Series BCS is under fire from fans the media college coaches Congress and even our new President They worry that the two best teams in the country aren't consistently selected by the polls and the BCS computers to play for the National Championship At stake is prestige a place in history recruiting advantages and boatloads of cash The solution proposed most often is a playoff system to give more schools a shot at a title However the problem of team selection won't go away with a playoff system it will be exacerbated The lack of a credible ranking system is the Achilles heel of the current BCS system Cinderella's Slipper reveals why the polls get it wrong why the BCS computers can't be expected to get it right why traditional statistics aren't useful for ranking teams and why won't records are misleading Cinderella's Slipper introduces the performance metrics necessary for team ranking and explains the rating system that can accurately rank teams with similar records When combined with NCAA sponsorship and an accurate ranking system a playoff scheme will produce deserving champions and will restore public confidence in the college football National Championship process **Hairs Vs. Squares** Ed Gruver, 2016-05-01 Hairs vs Squares is an ode to an unforgettable season that began with the first major players strike in the history of North American sports and ended with a record setting World Series played by two of the game's greatest and most colorful dynasties In a sign of the times it was Hippies vs Hardhats a clash of cultures with the hirsute mod Mustache Gang colliding with the clean cut conservative Big Red Machine on the game's grandest stage When the Oakland A's met the Cincinnati Reds in the 1972 Fall Classic more than a championship was at stake The more than two dozen interviews bring to life a time when controversy was commonplace both inside and outside the national pastime In baseball Willie Mays was traded Hank Aaron was chasing down Babe Ruth's home run record and Dick Allen was helping to save the Chicago White Sox franchise while winning the American League's Most Valuable Player award Outside the American pastime the war in Vietnam was raging campus protests spread throughout the country and Watergate and the Munich Olympics headlined the tumultuous year The 1972 Major League Baseball season was marked by the rapid rise of rookies and young stars the fall of established teams and veterans

courageous comebacks and personal redemptions Along with the many unforgettable and outrageous characters inside baseball *Hairs vs Squares* emphasizes the dramatic changes that took place on and off the field in the 1970s Owners lockouts on field fights maverick managers controversial trades artificial fields the first full five game League Championship Series and the closest most competitive World Series ever combined to make the 1972 season as complex as the social and political unrest that marked the era *Major League Baseball Awards* , *Baseball Between the Numbers* Jonah Keri,Baseball Prospectus,2007-02-27 In the numbers obsessed sport of baseball statistics don t merely record what players managers and owners have done Properly understood they can tell us how the teams we root for could employ better strategies put more effective players on the field and win more games The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end Despite this fundamental change in the way we watch and understand the sport no one has written the book that reveals across every area of strategy and management how the best practitioners of statistical analysis in baseball people like Bill James Billy Beane and Theo Epstein think about numbers and the game *Baseball Between the Numbers* is that book In separate chapters covering every aspect of the game from hitting pitching and fielding to roster construction and the scouting and drafting of players the experts at Baseball Prospectus examine the subtle hidden aspects of the game bring them out into the open and show us how our favorite teams could win more games This is a book that every fan every follower of sports radio every fantasy player every coach and every player at every level can learn from and enjoy **The New York Mets in Popular Culture** David Krell,2020-09-11 Bringing fresh perspectives to the team that has brought joy triumph and even a miracle to New York City this collection of new essays examines portrayals of the Mets in film television advertising and other media Contributors cover little known aspects of Mets history that even die hard fans may not know Topics include the popularity of Rheingold s advertising in the 1950s and 1960s Bob Murphy s broadcasting career before joining the Mets announcing team in 1962 Mr Met s rivalry with the Phillie Phanatic Dave Kingman s icon status the pitching staff s unsung performance after the 1969 World Series victory and Joan Payson s world renowned art collection and philanthropy **Tim Lincecum** Jason Glaser,2011-08-01 An introduction to the life and career of San Francisco Giants pitcher Tim Lincecum *The Best of Down Goes Brown* Sean McIndoe,2012-08-23 The greatest hits from the world s largest and most hilarious hockey humour blog Hundreds of thousands of hockey fans around the world are addicted to Down Goes Brown and with good reason Sean McIndoe is the funniest writer in hockey His often insightful always entertaining posts have made the site one of the top hockey blogs in the world and definitely the most amusing From shrewd observations to tongue in cheek commentary Down Goes Brown manages to capture the essence of hockey while exposing the frequently funny side of the sport Now in *The Best of Down Goes Brown* McIndoe himself compiles some of the blog s best loved posts along with a host of all new content in one side splitting volume Packed with fan favourites including *The Code Hockey s Unwritten Rules Revealed* The official map of an
