Andrew Huberman

Version 1.0 (2020)

Thank you for purchasing this guide.

It is my intention to create a morning routine that will help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day.

Here is how the system works:

- 1. If you already have a consistent sleep schedule, then you can skip this step. If you do not, then you will need to establish a consistent sleep schedule. This is the most important step in the system. If you do not have a consistent sleep schedule, then you will not be able to wake up feeling energized and ready to take on the day. I have created this guide to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day.
- 2. Next, you will need to establish a consistent morning routine. This is the second most important step in the system. If you do not have a consistent morning routine, then you will not be able to wake up feeling energized and ready to take on the day. I have created this guide to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day.
- 3. Finally, you will need to establish a consistent evening routine. This is the third most important step in the system. If you do not have a consistent evening routine, then you will not be able to wake up feeling energized and ready to take on the day. I have created this guide to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day.

The goal of this system is to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day. This is not a one-size-fits-all solution. I have created this guide to help you wake up feeling energized and ready to take on the day.

Thank you.

Cis White Gay Ben Appel, 2025-11-04 A gay survivor of a Christian cult finds new purpose in LGBT activism and attends Columbia University with the aim of becoming a journalist only to find himself in a new cult devoted to queerness anti Zionism and anti Western radicalism In 1983 Ben Appel is born into the Lamb of God a Christian covenant community in Maryland From an early age his gender nonconformity is evident and he is made to feel sinful and bad in God s eyes When his parents marriage crumbles and his family is exiled from the sacred community Ben is thrust into the real world which he finds to be even less tolerant of girly boys than the Lamb of God Unable to reconcile his gay identity with his religious programming he prays obsessively for God s forgiveness and self medicates with drugs and alcohol Within a few years his inner demons drive him to the edge of mental and emotional collapse Later in recovery Ben rebuilds his life and finds a new calling in LGBT activism setting him on a path to the Ivy League and a hopeful career as a journalist Finally at the late age of thirty three he enters Columbia University eager to join his progressive peers in their fight against right wing authoritarianism Yet he soon discovers that he has joined a new sacred community one as conformist as the Christian cult of his childhood and as cruel as his middle school bullies Even more frightening than this mob s so called progressive mentality is its rigid ideology an illiberal orthodoxy that threatens the very principles of freedom and equality For resisting indoctrination into this new progressive cult the Cult of Queer Ben will once again face the shame and loneliness of excommunication Only this time he will discover that true freedom can be found on the other side of exile in a celebration of genuine diversity based on hard won individual identity

Choose an affirmation that is right for you and practice it for 5 minutes in silence My favorite affirmation is I can be what I will do be 4 Visualizations 5 Minutes Visualizations are similar to meditating The difference In meditation you do your best to think about nothing except your breathing In visualization you envision yourself accomplishing your goals The goal here is to visualize yourself doing and living your affirmation 5 Scribing Journaling Part 2 15 30 Minutes Now that the mind is focused take the next 15 30 minutes to write freely This can be free writing about random things or structure writing it doesn't matter Sometimes it is simply helpful to empty out your thoughts on paper so that you have room during the day to learn and retain new things It can be a way of house cleaning 6 Reading 15 30 Minutes Reading is extremely important for all people It is a way we feed our brain what it needs to be happy It is known that some of the most famous and successful people in the world ie Bill Gates Warrant Buffet and more spend about 80% of their working days reading and learning new information However that might be overkill for most people just 15 30 minutes every day will make significant difference 7 Exercising 10 30 minutes Maybe this means going for a morning run before the sun wakes you or doing some yoga It doesn't have to be anything rigorous but some kind of activity is good Remember The Key to Success is consistency Stay consistent with your routine and observe the results Good Luck on your Miracle Journey
