Using the Internet Safely For Seniors For Dummies Nancy C. Muir, Linda Criddle, 2011-06-13 The Internet is amazing but the risks you've heard about are real too. You can avoid being a victim of online crime with the simple steps for staying safe online that you'll find in Using the Internet Safely For Seniors For Dummies. Here's the guide you need to steer safely through the hazards so you can shop, visit, invest, explore, pay bills, and do dozens of other things online more securely. Learn to protect yourself from online predators, create strong passwords, find reliable information, spot e-mail and phishing scams, and much more. Find out how to share photos and videos, chat with others, and participate in online discussions securely. See how, with strong passwords and reasonable caution, online banking and bill paying might be safer than the old way. Learn to install and set up a browser, use search engines effectively, and sidestep suspicious ads. Discover how personal information is collected and used by legitimate companies and by crooks. Be able to spot risks, find out how online criminals think, and know what makes you vulnerable. Enjoy social networking sites without putting yourself at risk. Spot reputable healthcare sites and avoid medical ID theft and scams. There's even a glossary of common computer terms and a guide to your rights when using the Internet. Using the Internet Safely For Seniors For Dummies helps you feel more secure by showing you how to protect yourself while enjoying the Web.

The 7 Non-Negotiables of Winning David K. Williams, 2013-07-29 How to spot employees' true game-changing character traits for creating a winning culture. Contrary to most conventional management wisdom, The 7 Non-Negotiables of Winning looks beyond employee skills and background and to identify the true game-changing character traits for creating a winning culture. Based on the author's methodology for what abilities drive decisions and actions within his own company, The 7 Non-Negotiables of Winning details how respect, belief, loyalty, commitment, trust, courage, and gratitude play an integral part to multiple key business outcomes. Provides illuminating stories and skill-building exercises to increase individual and group strength in each of the traits. Author David Williams is CEO of Fishbowl, provider of Fishbowl Inventory, the leading inventory management and asset tracking solutions for SMBs serving businesses globally. When these seven core traits become the standard within any company, employees become inspired to flourish and companies sail over business hurdles to achieve record growth.
