Investing in Movies Joseph N. Cohen, 2021-12-30 In this second edition of *Investing in Movies*, industry veteran Joseph N. Cohen provides investors and producers with an analytical framework to assess the opportunities and pitfalls of film investments. The book traces macroeconomic trends and the globalization of the business, including the rise of streamers as well as the impact these have on potential returns. It offers a broad range of guidelines on how to source interesting projects and advice on what kinds of projects to avoid, as well as numerous ways to maximize risk-adjusted returns. While focusing primarily on investments in independent films, Cohen also provides valuable insights into the studio and independent slate deals that have been marketed to the institutional investment community. As well, this new edition has been updated to fully

optimize the current film industry climate including brand new chapters on the Chinese film market new media streaming services and the effects of COVID 19 on the global film market Written in a detailed and approachable manner this book is essential for students and aspiring professionals looking to gain an insider perspective against the minefield of film investing
