The Magazine of American History with Notes and Queries John Austin Stevens, Benjamin Franklin DeCosta, Henry Phelps Johnston, Martha Joanna Lamb, Nathan Gillett Pond, 1893 *Pirate Hunting* Benerson Little, 2010-09-30 For thousands of years pirates privateers and seafaring raiders have terrorized the ocean voyager and coastal inhabitant plundering ship and shore with impunity From the victim's point of view these attackers were not the rebellious romantic rulers of Neptune's realm but savage beasts to be eradicated and those who went to sea to stop them were heroes Engaging and meticulously detailed *Pirate Hunting* chronicles the fight against these plunderers from ancient times to the present and illustrates the array of tactics and strategies that individuals and governments have employed to secure the seas Benerson Little lends further dimension to this unending battle by including the history of piracy and privateering ranging from the Mycenaean rovers to the modern pirates of Somalia He also introduces associated naval warfare maritime commerce and transportation the development of speed under oar sail and steam and the evolution of weaponry More than just a vivid account of the war that seafarers and pirates have waged *Pirate Hunting* is invaluable reading in a world where acts of piracy are once more a significant threat to maritime commerce and voyagers It will appeal to readers interested in the history of piracy anti piracy operations and maritime naval and military history worldwide

The Business of Entertainment Robert C. Sickels, 2008-11-30 We love to be entertained And today's technology makes that easier than ever Listen to tunes while working out No problem Watch a movie on your cell phone Can do Get 450

channels of digital entertainment bounced off a satellite and into your vehicle even while traveling through empty wastelands Simple But behind these experiences is a complex industry dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll the processes by which products are developed and the methods they use to promote and distribute entertainment As this set shows the industries in which commerce art and technology intersect are among the most fascinating in all of business Entertainment is a high stakes industry where stars are born and flame out in the blink of an eye where multimillion dollar deals are made on a daily basis and where cultural mores for better or worse are shaped and reinforced The Business of Entertainment lifts the curtain to show the machinery and sleight of hand behind the films TV shows music and radio programs we can't live without The Business of Entertainment comprises three volumes covering movies popular music and television But it's not all about stars and glitter it's as much about the nuts and bolts of daily life in the industry including the challenges of digitizing content globalization promoting stars and shows protecting intellectual property developing talent employing the latest technology and getting projects done on time and within budget Challenges don't end there There's also advertising and product placement the power of reviews and reviewers the cancerous spread of piracy the battles between cable and satellite operators and the threat to both from telephone companies the backlash to promoting gangsta lifestyles and more Each chapter is written by an authority in the field from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers The result is a fascinating mosaic with each chapter a gem that provides insight into the industry that hands down generates more conversations on a daily basis than any other
