

Dear Emily

Thank you for leaving me such a beautiful tooth!

Wow, your tooth is so shiny and bright, I am dazzled by its sparkle! I have placed it safely in my tooth fairy pouch and I will carry it with me all the way back to the magical kingdom of Toothy Pegs where your tooth will be treasured forever.

I am so proud of you for doing such a good job of taking care of your teeth. Keep up the splendid work. Remember to brush and floss every day and of course, eat lots of healthy fruits and vegetables!

I have left you a small gift to say thank you for the beautiful tooth. I hope you like it. Until next time Emily, keep smiling!

Notes From Your Friend The Tooth Fairy

Notes From Your Friend The Tooth Fairy:

Notes From Steven M. Margles, 2013-06-01 Notes from Your Friend The Tooth Fairy is meant as an illustration of a too often missed opportunity. It is hoped that children, parents and grandparents who read it will use it as an inspiration. Upon losing the first tooth, be sure that your child leaves not only the tooth but also a brief note requesting a communication from The Fairy. You may be amazed at the wonderful responses that result. The illustration consists of the actual unedited collection of the notes left for Samantha Margles by her Tooth Fairy along with a contemporaneous photograph. Included is a scrapbook for you and your child to use. This will make it fun and easy to save the notes. Keeping them with a timely photograph will once completed produce a highly treasured keepsake. **Letters to the Tooth Fairy** Tony Lucas, 2011

Letters from My Tooth Fairy Betsy Cramer, 2022-09-28 Letters from My Tooth Fairy By Betsy Cramer Something very exciting has happened to ZeZe at school today. She lost her first tooth. She can't wait until the Tooth Fairy comes to take her tooth from under her pillow. But what happens if ZeZe accidentally loses her tooth? Will the Tooth Fairy still come? **The Good People** Peter Narv ez, 1997-11-06 Whether called the good people, the little people or simply the fairies, they are familiar from their appearances in Shakespeare's plays, Disney's films and points in between. In many cultures, however, fairies are not just the stuff of distant legend or literature; they are real creatures with supernatural powers. The Good People presents nineteen essays that focus on the actual fairies of folklore, fairies of past and living traditions who affected and still affect people's lives in myriad ways. **Create a Personalized Letters and Activities Kit Mail Business**, *The Zen Mama* Sarah Ivens, 2020-01-30 Let go of parenting expectations and fears to raise courageous, confident children. The Zen Mama philosophy is that mother and child complement each other in adventures and experiences, always putting safety first but without getting caught up in the anxieties, drama, impossible expectations and mental baggage that too often comes along with modern parenting. Learning to become a Zen Mama will help you grow and nurture a Zen Child, someone who isn't afraid to be different, who can stand up for himself or his friends and can travel the world and experiment with new things without being overwhelmed with self-doubt or being scared. Full of facts, actionable advice and practical tips, this book will be about combining the heart and the head with what works for you and your family, not comparing yourselves to others or meeting a societal standard. It will support and nurture the mother's journey like a wise and sympathetic friend and offers ideas and experience rather than judgement. The Zen Mama will help you to find your purpose as a mother. It will instill the self-belief you need to help create a resilient, creative, caring and smart child and help to survive the journey. *Throw Your Tooth on the Roof* Selby B. Beeler, 2001-09-24 From the Tooth Fairy to the Rolling Calf and El Rat n Miguelito, an illustrated look at what kids around the world do when they lose baby teeth. What do you do when you lose a tooth? Do you put it under your pillow and wait for the tooth fairy? Not if you live in Botswana. In Botswana, children throw their teeth onto the roof. In Afghanistan, they drop their teeth down mouse holes and in Egypt, they fling their teeth at the sun. Travel around the world

and discover the surprising things children do when they lose a tooth Selby B Beeler spent years collecting traditions from every corner of the globe for this whimsical book and illustrator G Brian Karas adds to the fun filling every page with humorous detail He perfectly captures the excitement and pride that children experience when a tooth falls out Praise for Throw Your Tooth on the Roof This book will be an eye opener for young Americans who may have assumed that the Tooth Fairy holds a worldwide visa Publishers Weekly Karas s illustrations including his map are deliberately lighthearted and make people the world over look uniformly friendly A charming debut Kirkus Reviews
