The Complete Kakoulides New Testament 2nd Edition Harris Kakoulides , A number of touch ups on certain verses was made adding a note or two more and the book of Revelation was added after the book of Revelation in Parallel Numbered Judgments View So this New Testament has 2 books of Revelation Which really is the same book organized differently mine to show a view which to me makes a lot of sense but I would never claim it is a hundred percent unfailable unlike the scripture which is in its original state I really hope you enjoy this edition of the Complete Kakoulides New Testament which will be the last and make it a source in your biblical studies a great number

of hours was given to this project to make it profitable for study even if one doesn't hold the Parallel Numbered Judgments View one can still benefit greatly from this New Testament Study Bible because of the many references with quotes it has whether from Old Testament the early church Fathers Reformers Jewish sources translation plus the many hundreds of notes
