Nothing Else Matters:

Nothing Else Matters Nancy A. Almodovar, 2022-03-18 It is said that Jaroslav Jan Pelikan a leading scholar in the history of Christianity and Sterling Prof Everett of history at Yale University on his deathbed confessed this If Christ has not risen from the dead nothing else matters If Christ has risen from the dead nothing else matters I came across this quote in my research for the Apologetics Together courses that I offer on social media and was immediately awed at its profound implications Indeed if Jesus has not risen we must agree with Saint Paul that the world remains in their sins and are eternally lost However since Jesus has risen those who have placed their trust in him are assured of salvation and eternal life This book looks at the prophecies and fulfillment in the Scriptures which assure us that he who died on the cross at Calvary rose again on the third day for our justification

When Nothing Else Matters Michael Leahy, 2012-12-11 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one before Powered by a potent mix of charisma near superhuman abilities and a ferocious drive to dominate the game he achieved every award and accolade conceivable before retiring from the Chicago Bulls and taking an executive post with the Washington Wizards But retirement didn't suit the man who was once king and at the advanced age of thirty eight Michael Jordan decided it was time to reclaim the court that was once his WHEN NOTHING ELSE MATTERS is the definitive account of Jordan's equally spectacular and disastrous return to basketball Having closely followed Jordan's final two seasons Michael Leahy draws a fascinating portrait of an intensely complex man hampered by injuries and assaulted by younger players eager to usurp his throne In this enthralling book Jordan emerges as an ambitious at times deeply unattractive character with unsurprisingly a monstrous ego WHEN NOTHING ELSE MATTERS is an absorbing portrait not only of one athlete's overriding ambition but also of a society so in thrall to its sports stars that it is blind to all their faults
