Nothing To Write Home About:

The Mourning After Neil Edward Brooks, Josh Toth, 2007 Have we moved beyond postmodernism Did postmodernism lose its oppositional value when it became a cultural dominant While focusing on questions such as these the articles in this collection consider the possibility that the death of a certain version of postmodernism marks a renewed attempt to re negotiate and perhaps re embrace many of the cultural literary and theoretical assumptions that postmodernism seemly denied outright Including contributions from some of the leading scholars in the field N Katherine Hayles John D Caputo Paul Maltby Jane Flax among others this collection ultimately comes together to perform a certain work of mourning Through their explorations of this current epistemological shift in narrative and theoretical production these articles work to get over postmodernism while simultaneously celebrating a certain postmodern inheritance an inheritance that can offer us important avenues to understanding and affecting contemporary culture and society

English-Russian/Russian-English Dictionary of Idioms Brian Windley, 2019-02-27 An idiom is a group of words the actual meaning of which cannot easily be predicted from the specific meanings of the component words Both the English and Russian languages are highly idiomatic The use of idioms is natural to the speakers of a particular language but has less or even no meaning to the speakers of another language However in any colloquial language there are also a host of overlapping idiomatic expressions proverbs phrases and sayings which stretch the idiom definition Moreover there are often alternative words for certain words in an idiom some idioms have more than one meaning and extensive groupings have been made under certain major verbs and nouns All these variations are given in this dictionary This volume contains the most comprehensive dictionary of English to Russian and equivalent Russian to English idioms available worldwide today There are in total about 10 000 entries of different idioms but many have several alternatives in their groupings which makes the overall total several times that number

Wanaka Jesse O'Reilly-Conlin, 2023-10-13 Hound has a particularly strong sense of smell He can smell the memories of people and can smell them so strongly in fact that they appear before him as if something real and touchable In these memories Hound can walk and talk with the ghosts of people's past and this is the important part he can make changes both

big and small wherever he wishes He may direct someone left instead of right say something that had not been said before or even remove a person or event that had bothered the memory keeper Men pay Hound to kill their ghosts to destroy some of their most burdensome memories They pay him handsomely for his services Recently though Hound has grown tired of murdering the ghosts of rich well to do men The violence has taken its toll He is tired and wants nothing more than to settle down He wants a simple life freed from men s violent histories He is tired of being alone with his smells He needs a friend someone he can talk to and confide in And then one day he meets Jesse a man with many ghosts and together they form a lasting and unique friendship in beautiful Wanaka New Zealand *Gold Train* David Roy, *The Woman Who Changed Her*

How do survivors recover from the worst urban flood in American history a disaster that destroyed nearly the entire physical landscape of a city as well as the mental and emotional maps that people use to navigate their everyday lives This question has haunted the survivors of Hurricane Katrina and informed the response to the subsequent flooding of New Orleans across many years *Left to Chance* takes us into two African American neighborhoods working class Hollygrove and middle class

Pontchartrain Park to learn how their residents have experienced Miss Katrina and the long road back to normal life The authors spent several years gathering firsthand accounts of the flooding the rushed evacuations that turned into weeks and months long exile and the often confusing and exhausting process of rebuilding damaged homes in a city whose local government had all but failed As the residents stories make vividly clear government and social science concepts such as disaster management restoring normality and recovery have little meaning for people whose worlds were washed away in the flood For the neighbors in Hollygrove and Pontchartrain Park life in the aftermath of Katrina has been a passage from all that was familiar and routine to an ominous world filled with raw existential uncertainty Recovery and rebuilding become processes imbued with mysteries accidental encounters and hasty adaptations while victories and defeats are left to chance
