Nothing Left To Burn:

AUTOPSIST Ümit ERCAN, Was my mind playing tricks on me Could the feeling of loneliness that I have been living for a long time have activated my subconscious Seeing the sadness I felt for our Syrian woman whose subconscious mind I had done was trying to get in touch with me by taking on her silhouette and was playing my mind game with me There is no such thing as ghosts I said to myself If there is I cannot see it This must have been a weird nightmare for sure **New People Of The Flat Earth** Brian Short, 2018-01-16 A man chases after a mysterious metal object that may not even exist and his journey leads him on to ever greater levels of madness dissociation and metaphysical conundrums After ten years in a Zen monastery Proteus knows it's time to leave A troubled solitary man he knows what he seeks is not to be found sitting in meditation His problem is that during his time at the monastery he's discovered something strange inside his mind the ability to connect with a mysterious silent metallic spherical object he calls Mosquito His connection to this possibly extraterrestrial object which seems to dwell on an existential plane of its own gives Proteus a flimsy sense of purpose So when Mosquito abruptly disappears one day Proteus can't bear the loss and he sets off in pursuit of answers Thus starts a surreal philosophically maddening quest for meaning Chasing the elusive Mosquito leads Proteus to in between worlds where things do not quite hold together and where the living and the dead must learn to live in and out of the boundaries of time The further he gets from sanity the closer he comes to something that may turn out to be wisdom Playful but unapologetically challenging **New People of the Flat Earth** is a breathtakingly original novel that defies categorisation or summary *Barren Wasteland* Veronica Ellen, 2013-04-15 What do you do when there is nothing you can do When life creates circumstances which are inescapable and traumatic all one can do to survive is to eradicate the poison from their spirits and persevere through the hardships anyway *Barren Wasteland* is a collection of emotionally intense poems which are a response to many controversial issues faced both first hand by the poet and collectively as a society There are times one can feel that everything has been lost and hope becomes an impossibility Our minds can become like a barren wasteland beneath the garbage lies the richest and most fertile soil to plant the seeds of the future in We grow the most in our darkest times and it is our choice whether we see obstacles or opportunities From addiction to abusive relationships and even suicide few stones are left unturned in this rich volume of thought provoking and soul felt poetry *A Night of Serious Drinking* René Daumal, 2003-04-29 The French poet and author of *Mount Analogue* shares a satirical allegory of the absurdities of intellectual society As in René Daumal's cult classic *Mount Analogue* *A Night of Serious Drinking* concerns an autobiographical protagonist on a mind expanding journey But rather than seeking enlightenment the anonymous narrator recounts an evening getting drunk with a group of friends As the party becomes intoxicated and exuberant the narrator's wandering lead him from seeming paradises to the depths of pure hell The characters our hero encounters go by absurd titles such as Anthographers Fabricators of useless objects Scienters Nibblists and Clarificators Yet the inhabitants of these

strange realms are only too familiar scientists dissecting an animal in their laboratory a wise man surrounded by his devotees politicians angling for influence and poets expounding their rhetoric Their hilarious antics and intellectual games reveal incisive social commentary that combines poetic imagination and philosophical depth *Be Still* B&H Editorial Staff,2021-09-07 The world keeps spinning How many have felt the need to keep up Are you tired Has the world exhausted you Let s face it We have jobs to work kids to raise spouses to support and if we take the time to list every little responsibility we would probably feel like we re drowning If we were to live this life on our own that feeling would be true We however are not meant to live this way In *Be Still* discover timeless truths that remind the reader to rest to wait and to trust in an amazing God Throughout this devotional the reader will find 100 messages of faith thanksgiving and reminders of God s providence that will leave the reader with a peaceful soul and a still heart Breath of Fire Amanda Bouchet,2017-01-03 AND SHE WILL BE THEIR QUEEN Cat Fisa s warlord captor turned lover may have crowned her with the symbols of the three realms but war is far from over She believes in what Griffin is trying to accomplish She believes that peace will finally come when the realms are united And she believes that with her by his side Griffin has the strength to change the world But with her dangerous past resurfacing and the neighboring royals out for blood Cat and Griffin must strike soon if they want to unify the land without full scale war They ll do anything to avoid innocent bloodshed including crossing the treacherous Ice Plains or entering the deadly Agon Games to win access to the royal court and the very family they plan to usurp When their desperate battle for survival is over Cat and Griffin will either be standing side by side in the heart of their future kingdom or not at all Discover exciting bonus material including maps illustrations and an expanded look at the world of Thalyria Fans of Jennifer Armentrout Scarlett St Clair and Sarah J Maas will burn for this spicy romantic fantasy The Kingmaker Chronicles A Promise of Fire Book 1 *Breath of Fire* Book 2 *Heart on Fire* Book 3 *A Curse of Queens* A Kingmaker Chronicles novel Book 1 *Beneath the Burning Sea* A Kingmaker Chronicles novel Book 2 Readers are raving about the Kingmaker Chronicles Give this to your Game of Thrones fans Booklist STARRED Review Loved it ELOISA JAMES New York Times bestselling author Utterly breathtaking DARYNDA JONES New York Times bestselling author Masterful worldbuilding Kirkus STARRED Review Absolutely fabulous C L WILSON New York Times bestselling author Magic action romance everything I love in a series JENNIFER ESTEP New York Times and USA Today bestselling author Sweeping in its world building and poignant in its emotion A Homeric trilogy not to be missed GRACE DRAVEN USA Today bestselling author Easily my favorite book of 2016 Bookriot Delivers with both heat and heart loved it JEFFE KENNEDY award winning author **Martyr** Kathleen Woolrich,2018-11-20 *Martyr* was written over a three year period between 2015 and 2018 It was begun while Kathleen was living in Algiers Algeria with her daughter and continues through the summer of 2018 in Oran Tlemcen Sidi Bel Abbes Algeria and through the fall of 2018 In 2008 Kathleen s son Rayan Mehdi passed away and she was inconsolable This book *MARTYR* is the result of three years of therapeutic writing Kathleen writes in English but often incorporates Algerian Dardja

Before the Roads, Before the Mines Robert Jarvenpa, 2024-10 Before the Roads Before the Mines is a narrative based ethnohistory of a Denesu in community also known as the Chipewyan Keseyhot ine or Poplar House People The discovery of high grade uranium deposits in northern Saskatchewan Canada in the mid to late 1970s ushered in an era of mining and roadbuilding that largely replaced the traditional livelihoods of these subarctic hunter fishers with wage labor in mining construction and related industries The advent of new communications technologies and consumer goods and a road to the outside world created ruptures in the social fabric of the community Robert Jarvenpa highlights the historical experiences of middle aged and older individuals who vividly recall a time before the roads and mines existed when young and old alike spoke the Denesu in language and when entire families lived in a seasonally nomadic fashion in the bush They continually invoke the past in the problematic present a ritualized form of communication integral to resisting or adapting to the erosive changes of a rapidly industrializing resource extraction frontier Jarvenpa showcases the spoken words of the Denesu in informants as a means of documenting and interpreting their historical past in the face of contemporary peril as the subarctic permafrost recedes and multinational corporations eye Indigenous lands for their minerals

Stories of Freedom William Huff, 2018-01-05 This book contains a fiction trilogy consisting of Expatriates of Babylon Arland and The Livewood In a world of colliding cultures the shattered fragments continue to build a landfill of disconnected values and conflicting agendas Have you ever wished that you could escape the culture and politics of the world around you Have you ever felt helpless to ensure the provision of your own needs Dream with me as we follow tales of departure from distant control We will produce societies that cannot be crushed by external politics economics and shortages Such societies have the power to not only survive but to turn compassionately to the world they have left behind and offer them a more harmonious and sustainable future Increasingly sophisticated technologies and even theoretical physics provide a unifying thread for the technically minded while freedom and hope continue to build throughout the trilogy

life of God in Christ Jesus Since only Christ lives in His kingdom He invites us to live in and by Him who alone is the life thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam the living soul or the realm of death into Christ the life giving Spirit or the realm of life The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind irrespective of denomination caste colour creed and nationality live in and by the life of the One who died and rose for them establishing them in the Father
