## Now It Can Be Told:

**Now It Can Be Told** Philip Gibbs, 2022-09-04 In *Now It Can Be Told* Philip Gibbs offers a candid and unvarnished portrait of World War I which stands out in stark contrast to the sanitized versions that were permissible under wartime censorship Gibbs masterfully employs a rich journalistic prose style that captures the harrowing experiences and untold stories of soldiers on the Western Front His work is not only a literary accomplishment but also a piece of historical journalism that has significantly contributed to the contemporary understanding of the Great War Within the literary context his narrative breaks free from the constraints of his time providing a raw and essential account of the true costs of conflict Philip Gibbs an esteemed war correspondent bore witness to the atrocities of the First World War through which he experienced the indelible traumas and heroism of the battlefield firsthand This direct exposure to the horrors of war informed his reflective and compassionate approach in documenting the lives of soldiers and civilians affected by the conflict Gibbs s narrative is fuelled by an urgency to reveal the truths that wartime censorship had suppressed a testament to his commitment to journalistic integrity and transparency The book comes highly recommended for readers with an interest in military history journalism and the literature of war Gibbs s *Now It Can Be Told* transcends its own era to resonate with contemporary audiences seeking a deeper understanding of the human condition amidst the chaos of war It is an essential read for anyone who wishes to grasp the reality of warfare beyond the romanticism and valor often depicted unveiling the courage tragedy and sometimes the mundanity of life on the front lines

**NOW IT CAN BE TOLD** A N Bali, 1949 The hundreds and thousands of unfortunate Punjabees Sarhadees and Sindhies who putting faith in the statements that everything will stand still tarried too long behind and perished in the conflagration unwept unsung unhonoured but certainly not unremembered

**NOW IT CAN BE TOLD - A War Observer's Illumination Bomb** Philip Gibbs, 2017-02-23 In this book I have written about some aspects of the war which I believe the world must know and remember not only as a memorial of men s courage in tragic years but as a warning of what will happen again surely if a heritage of evil and of folly is not cut out of the hearts of peoples Here it is the reality of modern warfare not only as it appears to British soldiers of whom I can tell but to soldiers on all the fronts where conditions were the same What I have written here does not cancel nor alter nor deny anything in my daily narratives of events on the western front as they are now published in book form They stand I may claim sincerely and humbly as a truthful accurate and tragic record of the battles in France and Belgium during the years of war broadly pictured out as far as I could see and know My duty then was that of a chronicler not arguing why things should have happened so nor giving reasons why they should not happen so but describing faithfully many of the things I saw and narrating the facts as I found them as far as the censorship would allow After early hostile days it allowed nearly all but criticism protest and of the figures of loss The purpose of this book is to get deeper into the truth of this war and of all war not by a more detailed narrative of events but rather as the truth was revealed to the minds of men in many aspects out of

their experience and by a plain statement of realities however painful to add something to the world's knowledge out of which men of good will may try to shape some new system of relationship between one people and another some new code of international morality preventing or at least postponing another massacre of youth like that five years sacrifice of boys of which I was a witness Sir Philip Gibbs 1920      **Proceedings and Debates of the Constitutional Convention of the**
