The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study

that most beginners feel when reading other texts Buy this book now to start hanging the Mysticism of Numbers *Sleeping In Satan's Den* Kim Kozee,2023-12-05 *Sleeping in Satan s Den* is more than a collection of folktales and stories of the Appalachian region Through an official ghost writer named Lurlene Joy McCoy the reader is delighted with scary tales and stories to spark the imagination followed by the perspective of a member of a highly secretive group known as Alpha Domini First Father Lurlene Joy McCoy interprets the theme of each story some based on real people places and events through the use of scripture psychology science religion and modern secular explanations using verifiable sources to allow the reader to decide for themselves what is real and what is make believe Satan s Den exists We have all been there How you have survived its secrets is part of who you are today and where you will go tomorrow [A Marriage Covenant: Not For Women Only](#) Linda Anderson,2017-07-05 Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat I wondered That curiosity led me to a bigger change in my understanding of scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God s marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew *The Cultic Motif in the Book of Daniel* Winfried Vogel,2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read *The Secret Code of the King James Bible* Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship

at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me Religion the Great Harlot in the Devil's Playground , **The Imago Dei** John T. Swann,2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies

Breaking the Jewish Code Perry Stone,2013-06-04 Stone unlocks the amazing secrets to the success of the Jewish people Their time honored principles help create wealth maintain health raise successful children and pass on generational blessings *Leadership and Calling Through the Prism of Scripture* Fred Wantante Settuba-Male,Gia R. Tatone,2023-10-28 This volume offers phenomenological studies that examine the lived experiences of biblical leaders emphasizing external summons and a prosocial intention while offering suggestions for future research Part 1 focuses on various aspects of divine calling and leadership covering topics such as the calling of biblical prophets like Jeremiah and Samuel and the downfall of Solomon Part 2 explores successful biblical leadership and followership from a qualitative phenomenological lens analyzing the experiences of Abraham Paul and Samson Part 3 presents both positive and negative portrayals of biblical leadership demonstrating how both types can lead to social justice outcomes Presenting a Christian perspective of the relationship between the leaders and their sense of calling this book employs a phenomenological approach to investigate the significance of various aspects of God s calling such as the leader s discernment of the calling predictors of a leader s calling the social cultural influences of the calling the relationship between personality traits and calling and the evolution of a leader s calling This book will contribute to scholarly discussions related to meaningful work workplace satisfaction employee engagement and responsible leadership Covenant Chris Woodall,2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies

and promises concerning God's people in the Old Testament. But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ. Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there. The benefits of this for us are beyond measure; the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them. Take the key and peer inside. You will not be disappointed.
