Die Befreiungswunder in der Apolstelgeschichte Johann Hintermaier, 2003 **The Construction of Exodus Identity in Ancient Israel** Linda M. Stargel, 2018-05-22 Collective identity creates a sense of us ness in people It may be fleeting and situational or long lasting and deeply ingrained Competition shared belief tragedy or a myriad of other factors may contribute to the formation of such group identity Even people detached from one another by space anonymity or time may find themselves in a context in which individual self concept is replaced by a collective one How is collective identity particularly the long lasting kind created and maintained Many literary and biblical studies have demonstrated that shared stories often lie at the heart of it This book examines the most repeated story of the Hebrew Bible the exodus story to see how it may have functioned to construct and reinforce an enduring collective identity in ancient Israel A tool based on the principles of the social identity approach is created and used to expose identity construction at a rhetorical level The author shows that exodus stories are characterized by recognizable language and narrative structures that invite ongoing collective identification

Reading the Hebrew Bible for a New Millennium, Volume 2 Deborah L. Ellens, Michael Floyd, Wonil Kim, Marvin A. Sweeney, 2001-01-01 The late Victorian era was the early heyday of the bicycle as the introduction of the safety bicycle brought cycling within reach of a whole new audience including women Fortunately for the daring lady cyclist of the 1890s it

wasn't long before guidebooks appeared to tell her just how to set out upon this newfangled adventure Lady Cycling presents one such book in all its humor and charm First published in 1897 its quirky pleasures range from amusing anachronisms The initial cost of a machine is certainly almost as high as that of a pony to advice that can still help beginning cyclists today If nervous or it is a bad crossing like Regent Circus or by the Marble Arch it is wisest if not most dignified to jump off We may have settled the question of whether cycling is an appropriate activity for ladies to say nothing of the question of whether the corset should be shed for biking but Lady Cycling nonetheless still offers plenty of entertainment and advice for the modern rider
