**Building Brand Communities** Carrie Melissa Jones, Charles Vogl, 2020-06-09 An authentic brand community is more than just people buying your product or working alongside one another. This book articulates the critical roles of mutual concern, common values, and shared experiences in creating fiercely loyal customer and collaborator relationships. Smart organizations know that creating communities is the key to unlocking unprecedented outcomes. But too many mistakenly rely on superficial transactional relationships as a foundation for community when really people want something deeper. Carrie Melissa Jones and Charles Vogl argue that in an authentic and enriching community members have mutual concern for one another, share personal values, and join together in meaningful shared experiences, whether online or off. On the deepest level, brands must help members grow into who they want to be. Jones and Vogl present practices used by global brands like Yelp, Etsy, Twitch, Harley Davidson, Salesforce, Airbnb, Sephora, and others to connect in a meaningful way with the people critical for their success. They articulate how authentic communities can serve organizational goals in seven different areas: innovation, talent recruitment, customer retention, marketing, customer service, building transformational movements, and creating community forums. They also reveal principles to grow a new brand community to critical mass. This is the first comprehensive guide to a crucial differentiator that gives organizations access to untapped enthusiasm and engagement.

*Gaming Democracy* Adrienne L.

Massanari,2024-10-15 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In *Gaming Democracy* Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming *Gaming Democracy* is a novel contribution to our understanding of online platforms and far right political activism

*Rigged* Mollie Hemingway,2021-10-12 FROM THE AUTHOR OF THE 1 NATIONAL BESTSELLER JUSTICE ON TRIAL Stunned by the turbulence of the 2020 election millions of Americans are asking the forbidden question what really happened It was a devastating triple punch Capping their four year campaign to destroy the Trump presidency the media portrayed a Democratic victory as necessary and inevitable Big Tech wielding unprecedented powers vaporized dissent and erased damning reports about the Biden family s corruption And Democratic operatives exploiting a public health crisis shamelessly manipulated the voting process itself Silenced and subjected the American people lost their faith in the system RIGGED is the definitive account of the 2020 election Based on Mollie Hemingway s exclusive interviews with campaign officials reporters Supreme Court justices and President Trump himself it exposes the fraud and cynicism behind the Democrats historic power grab Rewriting history is a specialty of the radical left now in control of America s political and cultural heights But they will have to contend with the determination insight and eloquence of Mollie Hemingway RIGGED is a reminder for weary patriots that truth is still the most powerful weapon The stakes for our democracy have never been higher
